Vernon CommUNITY Fund Scholarship Applicant Evaluation Form

Applicant: 1 GPA: 4.405
School: Maywood Center for Enriched Studies Resident City: Huntington Park

The criteria below will be used to evaluate applicant:

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

1. DEMONSTRATED FINANCIAL NEED (30 POINTS POSSIBLE)

SCORE 27

The applicant has completed the Financial Analysis Summary to project their anticipated costs for their post-secondary educational pursuits. A VCF Scholarship may be awarded in a dollar amount that considers all financial aid being awarded to applicant and the total cost for their education. Total unmet financial need of applicant is \$ 36K/yr (approx) with an estimated 13K in scholarships/grants/financial aid.

2. COMMUNITY INVOLVEMENT AND LEADERSHIP (30 POINTS POSSIBLE)

SCORE 27

The Autobiographical Essay, Recommendation Forms (and letters if applicable), and Verification of Community Service Hours should collectively demonstrate the applicant's personal motivation, influences, academic ability, and potential. Consideration should be given to the applicant's unique situation and/or experience, career goals, and how receiving a scholarship will help the applicant. Recommendations should speak favorably to the applicant's dependability, initiative, and maturity, and specify applicant's talents and abilities, such as leadership, artistic abilities, excellence in athletics or extra-curricular activities, etc. Applicant should be viewed as capable of success in college. The applicant's participation in events and/or activities (such as student body office, work experience, special family responsibilities and obligations, and/or community service) leading to the accumulation of knowledge, attitudes and skills needed in post-secondary education should be considered. The quality and quantity of such events in the life of the individual should be assessed.

3. ACADEMIC ACHIEVEMENT (20 POINTS POSSIBLE)

SCORE 20

Transcript and report card should validate the applicant's preparedness for post-secondary educational demands. Preparatory courses (e.g. algebra, biology, literature, composition, chemistry, history, government, foreign language) should be completed with passing grades (at a minimum). Through academics, the student should demonstrate their ability to be successful in their pursuit of a trade school/college education.

Vernon CommUNITY Fund Scholarship Program

4. AWARDS AND RECOGNITION (10 POINTS POSSIBLE)

SCORE 10

If application indicates that the student has received awards and/or recognition during their high school career in academics and/or in extracurricular activities, this should be considered. Acknowledgement by others demonstrates how the candidate is regarded and validates their work ethic, spirit, abilities, maturity, and perseverance in efforts to excel.

5. PERSONAL AND/OR FAMILY ATTRIBUTES AND VALUES (10 POINTS POSSIBLE)

SCORE 10

The Autobiographical Essay and Recommendation Forms (and letters if applicable) should convey the applicant's distinguishable characteristics and values. The applicant's ability to be successful in their prospective career will be based upon personal qualities demonstrated in their day-to-day school/work/volunteer activities. Qualities such as motivation, enthusiasm, dedication, and the desire to achieve a successful outcome in their chosen field of study should be assessed.

6. COMMENTS

Well written essay with exceptional praise for the example and sacrifice of mother. Very high

aspirations of study as well as career application. Motivation and determination is evident, as challenges were faced, but still the student was top in their class, and achieved the honor of valedictorian. Student shows maturity and leadership through involvement in various extracurricular activities, clubs, and athletics. VCF Scholarship Grant is well-deserved, and probability for future success is high.

Welcome

Thank you for your interest in the Vernon CommUNITY Fund (“VCF”) Scholarship Program! The Vernon CommUNITY Fund and Vernon City Council are dedicated to enriching the local community, and promoting higher education is aligned with our overall mission to contribute to the betterment of the Southeast Los Angeles County region. Vernon leaders are excited to offer the VCF Scholarship to students who are committed to investing in their education for a brighter future.

The City Council of the City of Vernon created the Vernon CommUNITY Fund (“VCF”) to provide grants to charitable and governmental entities for projects and programs that benefit those residing and working in Vernon and its surrounding areas. Sections of the Vernon Municipal Code were adopted by the City Council to establish the Vernon CommUNITY Fund Grant Committee (“Grant Committee”) and provide the basic guidelines and operational procedures for said Committee and its officers, including those related to the allocation of funds and the processes for reviewing and ranking applications and awarding grants. Since its inception in 2014, the VCF Grant Committee has awarded nearly \$4.0 million in grants to non-profit organizations in the Vernon Area.

Over the years, the Grant Committee has sought to expand the work of the Vernon CommUNITY Fund in meaningful ways. The VCF Scholarship Program began as a concept, but quickly gained traction amongst Vernon leaders. The program was deemed to be a great opportunity for the VCF to establish a personal, viable connection with youth in the Vernon Area while supporting their pursuits of higher education and, in turn, elevating the region as a whole by ensuring that the career goals of students in our community are more attainable.

On October 16, 2018, the Vernon City Council authorized the Grant Committee to proceed with the implementation of the VCF Scholarship Program. The implementation of this program is the result of much thought, planning, and care. It has been designed with a true philanthropic mindset. It is the hope of the Vernon CommUNITY Fund and Vernon City Council that the VCF Scholarship Program will be a vehicle that offers many motivated, exceptional young people a path to accomplish their academic and career goals.

Again, thank you for your interest in the VCF Scholarship Program. The selection team looks forward to reviewing your application package and congratulates you on your many educational achievements thus far.

Sincerely,

Vernon CommUNITY Fund Scholarship Program Administration

I. Vernon CommUNITY Fund Scholarship Program Guidelines

The Vernon CommUNITY Fund Scholarship Program focuses on 12th grade students living in the Vernon Area (which includes the cities of Vernon, Maywood, Bell, Huntington Park, Commerce, the area within the City of Los Angeles known as Boyle Heights, and the unincorporated area known as East Los Angeles).

Scholarship Criteria

Vernon Municipal Code ("VMC") Section 2.166(a)(vi) sets forth the specific selection criteria for scholarship recipients and will be the specific standards used to identify qualified applicants who, ultimately, will be recommended as scholarship recipients. Selection criteria have been identified to clearly define the profile of the scholarship recipient.

Many factors will be considered when evaluating scholarship applicants. Scholarship criteria include an applicant's financial need, academic achievement, and the geographic distribution of scholarships. The scholarship criteria support the purpose of the Vernon CommUNITY Fund, which was established to provide charitable contributions in support of improved quality of life, strengthening of families, and affirmation of Vernon's ties with neighboring communities in pursuit of bright futures. The Vernon CommUNITY Fund Scholarship Program was created to provide disadvantaged youth in the Vernon Area the opportunity to achieve success in their post-secondary educational endeavors.

Award Criteria

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

Eligibility

12th grade students enrolling in a post-secondary educational institution with full-time status who reside in the Vernon Area (as defined above) may submit an application for a Vernon CommUNITY Fund (VCF) Scholarship.

Specific eligibility standards are identified within this section. In order to be considered for award, applicants must meet all of the following detailed criteria:

- Graduating High School Senior
- Achievement of a Minimum Weighted Grade Point Average of 2.0 in high school level coursework for trade school or two-year College applicants; or Minimum Weighted Grade Point Average of 2.5 in high school level coursework for four-year College/University applicants at the time of VCF Scholarship application submission

Vernon CommUNITY Fund Scholarship Program Applicant Package

- Pursuit of a two-year or four-year Degree from accredited College/University; or pursuit of Trade School Certification
- Full-time enrollment at post-secondary educational institution of choice (minimum of 12 units for college) at the time of award
- Immediate transition into a post-secondary educational institution upon graduation from high school (must begin post-secondary coursework within 6 months of graduation)
- Residency in the Vernon Area (U.S. Citizenship is not required); minimum Area residency of 12 months
- Demonstration of strong leadership skills and responsibility (successfully communicated in scholarship application)
- Active in extracurricular activities (i.e., school/community involvement/employment/internship)
- A minimum of 20 hours of community service from 9th grade to first semester of 12th grade
- Not a City of Vernon employee or a legal dependent of a City of Vernon employee, Vernon City-appointed official, or Vernon City-elected official

Application Procedures

The information requested on the application is a reflection of the selection criteria designated for the VCF Scholarship Program. The following question and answer section (Q&A) addresses issues related to the VCF Scholarship application process:

Q: Where and when are scholarship applications available?

A: Beginning on January 1st of each year, applications will be available on the Vernon CommUNITY Fund website: www.vernoncommunityfund.org

Q: Where should scholarship applications be submitted?

A: Students may submit their complete application packages to the Vernon City Hall City Administration Office. Contact information is available on the website if any questions or technical issues arise during the application submission process.

Q: When are scholarship applications due?

A: The Vernon CommUNITY Fund will accept scholarship applications through the last Thursday in March.

Q: What additional information/documents must accompany the scholarship application?

A: As per the eligibility criteria noted above, students must submit proof that they reside and have resided for at least 12 months in the Vernon Area (e.g. utility bills); most recent report card; evidence of GPA with high school transcripts; sworn statement (found on the Vernon CommUNITY Fund website in scholarship applicant package) of a teacher or program director/supervisor with knowledge that applicant has performed the minimum amount of community service; and evidence of extracurricular activities. Although not required, students may also include letter(s) of recommendation, and/or letter(s) from post-secondary educational institution(s) along with their scholarship application.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Q: How and when will the scholarship award winners be notified?

A: Scholarship grant applicants recommended for award will be reviewed at the regular VCF Grant Committee meeting in May. Applicants selected for award will be notified within one week of scholarship award via email.

Q: How and when will the scholarship awards be disbursed?

A: Award disbursement will occur in June, with checks directly mailed to scholarship grantees.

The VCF Grant Committee retains the right to withhold scholarship grants in any given year if no candidate is determined to be qualified.

Additional Considerations

- Scholarship amount will be based on applicant competition and funds available for award
- Personal interview of scholarship applicant may or may not be required, and shall be determined after initial review of applicant pool
- Applications may be summarily denied, with or without prior notification to the applicant, if any statements or representations in the application and supporting materials are found to be untruthful, dishonest, or misleading

Selection Procedures

Procedures for selection of award will mirror the current process used for the award of direct service grants and capital grants through the Vernon CommUNITY Fund. The initial evaluation of a scholarship application will be a joint effort amongst City staff and consultant, Jemmott Rollins Group (JRG). Ultimately, the application of any candidate(s) recommended for award will be brought to the Vernon CommUNITY Grant Committee in May for deliberation and approval(s) of grant(s).

The VCF Scholarship Program is designed to benefit a broad class of beneficiaries through an objective process that is nondiscriminatory in nature.

Autobiographical Statement

Going to college has always been one of my greatest educational goals and ultimately, my most empowering dream. This dream began with my first ever role model and inspiration, my mother. To me, my mother is my motivation and by far, my biggest supporter. She never fails to encourage me and whenever she sends me an email reminding me about college deadlines or school events, I just smile. I am so fortunate to have her in my life and I want her to know that all of her sacrifices were worth it. Her catching the 4 am bus at the bus stop down the street to get to school and every hour that she stayed up studying preparing for her exams during college, while at the same time carrying me, was worth it. Taking my little brother and me with her to class at UCLA because there was no one else that could take care of us, was worth it. The ambitious and determined adolescent that I am is a product of her hard work and dedication. We may have the same name, but we have not faced the same obstacles in life. I will never be able to fully understand the various difficulties she had to overcome as a young mom pursuing postsecondary education, but I understand why receiving higher education is so important.

Through my experiences as a female Mexican-American student, I grew up realizing that life for minorities and women, like my mother, came with so many expected and unexpected obstacles. Many of the women that raised me and that I was surrounded by as a little girl, carried not just the weight of the household tasks and children, but also the discrimination of sexism. Over time, I learned that these women had had their own dreams and goals for their future, but they were held back by those that were ignorant of the fact that women are also capable of being successful. The impact of these firsthand experiences are what have influenced my current educational and career goals. I am proud to be a young, Latina and because of this, I aspire to be part of the wave of women in my generation that pursue an education in STEM. My educational

goals as of now begin with me graduating as the valedictorian of my senior class. After high school, I plan on attending a four-year university where I will major in biomedical engineering with a minor in computer science. At my future university, my goals are to get an internship and gain research experience within my major. Moving forward into my higher education, the highest degree that I plan on pursuing is my doctorate degree. I am determined to keep studying even after I receive my doctorate so that I can further develop my skills and create positive connections with others. My greatest career goal is to become a biomedical engineer. I would like to work in third world countries so that I can bring new technological advancements, help create solutions to health issues, and change the cost of healthcare for those that have been deprived of medical treatment. Ultimately, the Vernon CommUNITY Fund Scholarship Program will assist me throughout my journey as I work towards achieving my educational goals. This scholarship will provide me with the opportunity to be more selective in the university that I choose to attend. There are many students that limit themselves when it comes to their post-secondary education and goals because the financial aspect of it is a huge burden. It will increase my chances of continuing into graduate school while relieving some of the financial barriers.

From a young age, I started helping out my community and volunteering at events that they provided for those in need. It began with my curiosity about the well-being of those in my community. The City of Huntington Park hosted the Greater Los Angeles Homeless Count every year and I never fully comprehended the purpose of this event until I actually began to volunteer. My family faced near homelessness when both my brother and I were little kids. I wasn't aware of the seriousness of the situation at that moment, but as I grew up I realized that many people face homelessness every day of their lives. It is a huge issue that is prevalent throughout our

society, yet I feel like it is overlooked and neglected at times. As a little girl, I didn't know the difference between living in a house or an apartment, or simply not having a roof over my head. Now that I am older, I can see how it affects and sometimes even destroys the lives of so many people. This is why I started to volunteer at the homeless count hosted by my city. The purpose of the Greater Los Angeles Homeless Count is to ensure that every one of our neighbors experiencing homelessness in our communities is counted. It is a step towards ending homelessness in our country and helping improve the lives of others who aren't as fortunate as us. My community helped me by teaching me the values of responsibility, integrity, and leadership. I learned how to become a selfless leader and how it can help a low-income, minority populated community like my own become aware of the issues in our environment. I give back to my community because I want to help provide opportunities for other people just like my community helped me. Applying to this scholarship is one of those opportunities that I have and if I was to receive this scholarship, it would become my hope that I can pursue a post-secondary education. I have seen firsthand how opportunities like this can help other students achieve their educational goals and it helps younger students create a more positive outlook on the benefits of receiving a higher education. The opportunities that you help provide for others aren't just opportunities for themselves, but also a sign of hope for those after them that they are capable of great things too.

Honors Biology & Honors Physiology

3. What is your assessment of the applicant's ability to succeed in his/her goal to attain a higher level of education?

Over the course of my teaching career Anahy has stood out, as one of the most dedicated and ingenious students I have had the pleasure of working with. In the classroom, she is dedicated to producing high quality work which showcases her natural ability to problem solve and critical thinking skills. She is able to understand difficult concepts, and can often be found helping her peers. Thinking outside the box is also a trademark of Anahy, often adding creativity and innovation to projects. Her desire and dedication to learn has led her to participate in various STEM clubs, such as MESA, ACS chem club and the science bowl.

Vernon CommUNITY Fund Scholarship Program Applicant Package

4. What unique qualities does the applicant possess that distinguish him/her amongst their peers?

Anahy is not only a great student, but also an agent of change in her community. Sophomore year she was one of the founding members of Interact. A club that works to create fun meaningful service projects while developing leadership skills. Anahy is dedicated to not only continuing her own education, but also in creating a college going culture in her school community. Due to distance learning this year, college mentoring for seniors was not as accessible as prior years. Anahy seized this opportunity by becoming a college ambassador who is able to assist and inform peers through the college application process. Since 2014, she has worked with the Mexican Opportunity Foundation during back to school season to make a positive impact on youth who are at risk of dropping out.

5. Based on your knowledge of the applicant, how would you rate the applicant's skills, characteristics, and motivation?

Potential for Growth	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

6. Please add any additional insight or comments you may have about the candidate below:

Anahy is a true leader, in and out of the classroom. Her involvement in sports has allowed her to learn the value of hard work and collaboration. As the basketball captain, she works hard to maintain high morale and work ethic as a team. She translates her leadership role in various capacities, most notably she became involved in girls who code as a board member of the school club. Girls who code works to equip and inspire young girls to gain 21st century skills for the future.

It is with no hesitation, and great pleasure that I fully endorse Anahy. Her intelligence and critical thinking skills make her stand out- but she remains humble and always looks to growth.

Dear Anahy:

Congratulations! It is our great pleasure to offer you admission to UCLA for the Fall Quarter 2021. You have been admitted to the Henry Samueli School of Engineering and Applied Science with Bioengineering as your academic major.

You were selected from the largest college applicant pool in the nation—over 139,000 students applied to UCLA. Your talents and academic accomplishments are exceptional, and we know that you will thrive here. With over 125 majors and 80+ minors, the academic breadth available to you as a student is second to none. You will also receive personal attention from instructors: two out of three undergraduate classes have fewer than 30 students. Our campus community of over 1,000 clubs and organizations will give you opportunities to engage and explore with your fellow Bruins.

UCLA prepares you to step into your future through our unique combination of cutting-edge academic programs, a diverse and enriching student life, support for career exploration, and a college town located in Los Angeles, one of the most innovative and diverse cities in the world. You will have every opportunity imaginable to develop the talents and interests that will lead you to success.

Your next step is the formal acceptance of our admission offer, which you can complete at the [New Bruins website](#). The site also includes information about important deadlines and your housing application. **Please review your Admission Contract to ensure that you will continue to meet the conditions of our offer.** For your reference, your UCLA Student ID is shown above.

For now, enjoy this moment and what it signifies—that you are about to begin one of the most exciting chapters in your life. I hope you are excited about the journey ahead! Los Angeles is about dreaming big, so I encourage you to realize your dreams here at UCLA. We proudly invite you to join our class of 2025.

Go Bruins!

Sincerely,

Gary A. Clark, Jr.

Vernon CommUNITY Fund Scholarship Program

Vernon CommUNITY Fund Scholarship Applicant Evaluation Form

Applicant: 2 GPA: 4.375
School: Maywood Center for Enriched Studies Resident City: Maywood

The criteria below will be used to evaluate applicant:

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

1. DEMONSTRATED FINANCIAL NEED (30 POINTS POSSIBLE) **SCORE** 20

The applicant has completed the Financial Analysis Summary to project their anticipated costs for their post-secondary educational pursuits. A VCF Scholarship may be awarded in a dollar amount that considers all financial aid being awarded to applicant and the total cost for their education. Total unmet financial need of applicant is \$ 23K/yr (approx) with an estimated 50K in scholarships/grants/financial aid.

2. COMMUNITY INVOLVEMENT AND LEADERSHIP (30 POINTS POSSIBLE) **SCORE** 28

The Autobiographical Essay, Recommendation Forms (and letters if applicable), and Verification of Community Service Hours should collectively demonstrate the applicant's personal motivation, influences, academic ability, and potential. Consideration should be given to the applicant's unique situation and/or experience, career goals, and how receiving a scholarship will help the applicant. Recommendations should speak favorably to the applicant's dependability, initiative, and maturity, and specify applicant's talents and abilities, such as leadership, artistic abilities, excellence in athletics or extra-curricular activities, etc. Applicant should be viewed as capable of success in college. The applicant's participation in events and/or activities (such as student body office, work experience, special family responsibilities and obligations, and/or community service) leading to the accumulation of knowledge, attitudes and skills needed in post-secondary education should be considered. The quality and quantity of such events in the life of the individual should be assessed.

3. ACADEMIC ACHIEVEMENT (20 POINTS POSSIBLE) **SCORE** 20

Transcript and report card should validate the applicant's preparedness for post-secondary educational demands. Preparatory courses (e.g. algebra, biology, literature, composition, chemistry, history, government, foreign language) should be completed with passing grades (at a minimum). Through academics, the student should demonstrate their ability to be successful in their pursuit of a trade school/college education.

Vernon CommUNITY Fund Scholarship Program

4. AWARDS AND RECOGNITION (10 POINTS POSSIBLE)

SCORE 8

If application indicates that the student has received awards and/or recognition during their high school career in academics and/or in extracurricular activities, this should be considered. Acknowledgement by others demonstrates how the candidate is regarded and validates their work ethic, spirit, abilities, maturity, and perseverance in efforts to excel.

5. PERSONAL AND/OR FAMILY ATTRIBUTES AND VALUES (10 POINTS POSSIBLE)

SCORE 10

The Autobiographical Essay and Recommendation Forms (and letters if applicable) should convey the applicant's distinguishable characteristics and values. The applicant's ability to be successful in their prospective career will be based upon personal qualities demonstrated in their day-to-day school/work/volunteer activities. Qualities such as motivation, enthusiasm, dedication, and the desire to achieve a successful outcome in their chosen field of study should be assessed.

6. COMMENTS

Very well written essay with a strong tie to family. High marks from others regarding leadership and community involvement. Well-rounded student with involvement in athletics, dance, journalism, and strong academic foundation. Highly focused on how she can aid her community and join the fight for social justice. She is motivated to honor her family's legacy through education, and wants her voice to be heard. Applicant is likely to receive other grants/scholarships to cover college expenses.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Welcome

Thank you for your interest in the Vernon CommUNITY Fund ("VCF") Scholarship Program! The Vernon CommUNITY Fund and Vernon City Council are dedicated to enriching the local community, and promoting higher education is aligned with our overall mission to contribute to the betterment of the Southeast Los Angeles County region. Vernon leaders are excited to offer the VCF Scholarship to students who are committed to investing in their education for a brighter future.

The City Council of the City of Vernon created the Vernon CommUNITY Fund ("VCF") to provide grants to charitable and governmental entities for projects and programs that benefit those residing and working in Vernon and its surrounding areas. Sections of the Vernon Municipal Code were adopted by the City Council to establish the Vernon CommUNITY Fund Grant Committee ("Grant Committee") and provide the basic guidelines and operational procedures for said Committee and its officers, including those related to the allocation of funds and the processes for reviewing and ranking applications and awarding grants. Since its inception in 2014, the VCF Grant Committee has awarded nearly \$4.0 million in grants to non-profit organizations in the Vernon Area.

Over the years, the Grant Committee has sought to expand the work of the Vernon CommUNITY Fund in meaningful ways. The VCF Scholarship Program began as a concept, but quickly gained traction amongst Vernon leaders. The program was deemed to be a great opportunity for the VCF to establish a personal, viable connection with youth in the Vernon Area while supporting their pursuits of higher education and, in turn, elevating the region as a whole by ensuring that the career goals of students in our community are more attainable.

On October 16, 2018, the Vernon City Council authorized the Grant Committee to proceed with the implementation of the VCF Scholarship Program. The implementation of this program is the result of much thought, planning, and care. It has been designed with a true philanthropic mindset. It is the hope of the Vernon CommUNITY Fund and Vernon City Council that the VCF Scholarship Program will be a vehicle that offers many motivated, exceptional young people a path to accomplish their academic and career goals.

Again, thank you for your interest in the VCF Scholarship Program. The selection team looks forward to reviewing your application package and congratulates you on your many educational achievements thus far.

Sincerely,

Vernon CommUNITY Fund Scholarship Program Administration

I. Vernon CommUNITY Fund Scholarship Program Guidelines

The Vernon CommUNITY Fund Scholarship Program focuses on 12th grade students living in the Vernon Area (which includes the cities of Vernon, Maywood, Bell, Huntington Park, Commerce, the area within the City of Los Angeles known as Boyle Heights, and the unincorporated area known as East Los Angeles).

Scholarship Criteria

Vernon Municipal Code ("VMC") Section 2.166(a)(vi) sets forth the specific selection criteria for scholarship recipients and will be the specific standards used to identify qualified applicants who, ultimately, will be recommended as scholarship recipients. Selection criteria have been identified to clearly define the profile of the scholarship recipient.

Many factors will be considered when evaluating scholarship applicants. Scholarship criteria include an applicant's financial need, academic achievement, and the geographic distribution of scholarships. The scholarship criteria support the purpose of the Vernon CommUNITY Fund, which was established to provide charitable contributions in support of improved quality of life, strengthening of families, and affirmation of Vernon's ties with neighboring communities in pursuit of bright futures. The Vernon CommUNITY Fund Scholarship Program was created to provide disadvantaged youth in the Vernon Area the opportunity to achieve success in their post-secondary educational endeavors.

Award Criteria

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

Eligibility

12th grade students enrolling in a post-secondary educational institution with full-time status who reside in the Vernon Area (as defined above) may submit an application for a Vernon CommUNITY Fund (VCF) Scholarship.

Specific eligibility standards are identified within this section. In order to be considered for award, applicants must meet all of the following detailed criteria:

- Graduating High School Senior
- Achievement of a Minimum Weighted Grade Point Average of 2.0 in high school level coursework for trade school or two-year College applicants; or Minimum Weighted Grade Point Average of 2.5 in high school level coursework for four-year College/University applicants at the time of VCF Scholarship application submission

Vernon CommUNITY Fund Scholarship Program Applicant Package

Q: How and when will the scholarship award winners be notified?

A: Scholarship grant applicants recommended for award will be reviewed at the regular VCF Grant Committee meeting in May. Applicants selected for award will be notified within one week of scholarship award via email.

Q: How and when will the scholarship awards be disbursed?

A: Award disbursement will occur in June, with checks directly mailed to scholarship grantees.

The VCF Grant Committee retains the right to withhold scholarship grants in any given year if no candidate is determined to be qualified.

Additional Considerations

- Scholarship amount will be based on applicant competition and funds available for award
- Personal interview of scholarship applicant may or may not be required, and shall be determined after initial review of applicant pool
- Applications may be summarily denied, with or without prior notification to the applicant, if any statements or representations in the application and supporting materials are found to be untruthful, dishonest, or misleading

Selection Procedures

Procedures for selection of award will mirror the current process used for the award of direct service grants and capital grants through the Vernon CommUNITY Fund. The initial evaluation of a scholarship application will be a joint effort amongst City staff and consultant, Jemmott Rollins Group (JRG). Ultimately, the application of any candidate(s) recommended for award will be brought to the Vernon CommUNITY Grant Committee in May for deliberation and approval(s) of grant(s).

The VCF Scholarship Program is designed to benefit a broad class of beneficiaries through an objective process that is nondiscriminatory in nature.

Vernon CommUNITY Fund Scholarship Program Applicant Package

II. Vernon CommUNITY Fund Scholarship Program Timeline

A VCF Scholarship Program Timeline has been established based upon the calendar year. In summary, applications are accepted beginning January 1st through the last Thursday in March of a given year. In May, the Vernon CommUNITY Fund Grant Committee will select scholarship grantees. Funds for scholarship awards will be dispersed in June to all scholarship grant recipients.

VII. Vernon CommUNITY Fund Scholarship Applicant Autobiographical Essay Guide

Autobiographical Statement

In essay form, please respond to as many of the following prompts as are applicable to your situation and/or personal experience:

- Effectively express your career goals and detail your plan to achieve success in your chosen field of study
- Identify work, volunteer, internship(s), and/or extracurricular experience and how and why it has impacted you
- Describe who or what has most influenced and motivated you to pursue a higher level of education and explain why
- Indicate why receiving a scholarship from the Vernon CommUNITY Fund will assist you in achieving your academic goals
- Discuss your academic ability and potential to be successful in your pursuits
- Provide a coherent, well-organized written product that conveys why you should receive a VCF Scholarship
- Identify any unique characteristics about yourself, your family and/or life circumstances that you would like to be considered in the evaluation of your application package

The prompts above appear in no particular order of importance, nor are you required to address each in your essay. The essay guide has been designed to provide you with insight into what the VCF Grant Committee may be interested in learning about you as a VCF Scholarship Applicant.

Your essay must be submitted in the following format:

- Typed (12 point font)
- Double spaced
- Written in first-person
- A combined total of three (3) pages or less

Reminders for Your Written Work

Structure/Organization

Your essay should give the reader a concise sense of who you are and how your particular life experiences have contributed to your current path. The structure of the essay should support its overall message and convey your personality. The story that you are telling should be logical, with a clear introduction, solid supporting ideas, and a conclusion.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Specific Examples

If you choose to reference life experiences or situations in your essay, they should be specific and not general. Each example that you include in your essay should help showcase your character traits and distinguish you, as an individual, from the other applicants.

Significance

The experiences or situations you include in the essay should address the prompts in a meaningful way. Additionally, they should show significance to your overall message, and lend support to your educational, career, and personal goals.

(Please insert your essay following this page)

Describe who or what has most influenced and motivated you to pursue a higher level of education and explain why. Indicate why receiving a scholarship from the Vernon CommUNITY Fund will assist you in achieving your academic goals.

I was in kindergarten when my *abuelito* was diagnosed with Alzheimer's.

Like many Mexican-American families living in the United States, I grew up under the same roof as my grandparents, uncles, aunts, and cousins. Because I was raised in a multigenerational home, I witnessed my *abuelito's* diagnosis progress firsthand. I saw how defensive he would get when it came to money. More often than not, his frustrated debates with my dad and uncle would end in fistfights. During this time, my family was keen on reminding me that I was supposed to love my *abuelito*, but I was more scared of him than anything. I was too young to understand why he had become so short-tempered and why his eyes looked like they were clinging on to life.

As the years passed, I became better at recognizing the other side of him, the real him. Although the experiences were very sporadic, I had just enough good times with him to miss the grandfather I never really met. My *abuelito* forgot his own wife and kids but somehow never forgot 1961, the year he became a Bracero to support his family in Mexico. Even when his memories became vague, he would ramble endlessly about the fields and terrains of Orange County. I always subconsciously appreciated that, while he was recalling memories from his past life, it was always while he was wearing a *vaquero sombrero* and a plaid, button-up, long sleeve. This style was reminiscent of a time when providing for his family meant working hard and long hours.

When I was 12-years-old, my grandfather didn't recognize me anymore, but it didn't hurt as much as one might think. In his eyes, I was a complete stranger, but I was still a person. He had no clue who I was, but he continued to treat me like family. He would insistently offer me food from his own plate whenever we sat at the dinner table together. He didn't care who I was, he just needed to know I wasn't hungry.

On one afternoon while lounging around my grandparent's living room, I got the idea to cut up a phone book into rectangular sheets of paper and pretend it was money.

“*¿Que comprarías con este dinero?* [What would you buy with this money?]" I asked my *abuelito* with itching curiosity.

“*Un cochino para que mi familia puede comer* [A pig so my family can eat],” he replied with a stutter, yet self-assured.

That was the last real conversation I had with my *abuelito* before he passed away. Even on his deathbed, his values remained steadfast. Looking back, I realize he taught me the most important rule in Mexican-American households: always prioritize family. My *abuelito* provided for his loved ones the only way he knew how—through physical labor. Pursuing a post-secondary education, where I will explore my Latinx roots while working toward a college degree, is one step in my journey toward providing for mine. Even though my *abuelito* is not in my life anymore, my relationship with him motivates me every day to push for a better future for myself and my relatives. It's the least I can do to honor the countless sacrifices my *abuelito* and family

made for me. Whenever I feel discouraged about my school work, I think about the proud tears in my mom's eyes when I got into my dream college; I recall the times my dad would tell me that in another universe, he would have been a philosopher, not a factory worker; I think about how hard my *abuelito* worked to put me in my position of privilege. I remember that the obstacles I've overcome as a low-income, first-generation student make me more grateful for my successes.

Recognition by the Vernon CommUNITY Fund would support me in paying for the next 4-6 years of my post-secondary education. Pomona College, which I will be attending next fall, is an incredible, but expensive private institution. That being said, I don't want the price of education to be indicative of my academic achievements. With this scholarship, I can shift my focus from the financial question that college poses, to the excitement of studying environmental analysis through a sociological lens and understanding the multifaceted environmental challenges that people in my Latinx community face. The Vernon CommUNITY Fund scholarship is a crucial stepping stone in my journey to honoring my family's legacy.

If a question included on this form is not applicable to your relationship with the applicant and you are unable to evaluate them on that subject as a result, please indicate "N/A", or not applicable as a response.

1. How long have you known the applicant?

Four years

2. What is your relationship to the applicant?

Teacher : Honors Biology , Honors Physiology

Class advisor

3. What is your assessment of the applicant's ability to succeed in his/her goal to attain a higher level of education?

I have no doubt Daniella Hernandez will be an asset to Pomona College. She already possesses skills such as critical thinking, clear articulation, creativity and collaboration. Higher Education will allow her to hone her skills to continue to make a positive impact in her community.

**Vernon CommUNITY Fund
Scholarship Program
Applicant Package**

4. What unique qualities does the applicant possess that distinguish him/her amongst their peers?

Over the course of my teaching career, Ms. Hernandez has stood out as one of the most memorable students I have had the pleasure of teaching. She is driven by the desire to create a more sustainable world and bridge the inequalities in her community. In the classroom, Daniella is a critical thinker who always goes above and beyond for every assignment. But unlike most students, Daniella takes her knowledge and applies it to real world scenerios. During the summer she created a campaign called "criminalized without convictions" targeted to spread awareness about the inequalities in the judicial system towards people of color. She was able to leverage social media to raise funds for a local charity.

5. Based on your knowledge of the applicant, how would you rate the applicant's skills, characteristics, and motivation?

	Outstanding	Above Average	Average	Deficient
Academic Achievement	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Leadership Capability	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Potential for Growth	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

6. Please add any additional insight or comments you may have about the candidate below:

Over the past four years, I have had the please of working with Daniella in various capacities in and out of the classroom. She is a brighth student who is able to make sense of difficult concepts. She has a drive to be a better version of herself everyday, which leads her to grow and push the boundaries in everything she does. Additionally, Daniella is an agent for change in her community. During the summer, she was part of a group of students who created presentations to help their peers through the college application process. Daniella Hernandez has earned my highest recommendation as a scholar and community leader.

2. What is your relationship to the applicant? I was Daniella's U.S. History teacher her junior year.

3. What is your assessment of the applicant's ability to succeed in his/her goal to attain a higher level of education?

Daniella is the best writer that I have had the opportunity to teach in High School. She excelled in

the most challenging of writing assessments: Document Based Essays. In fact, I had had to up the

Vernon CommUNITY Fund Scholarship Program Applicant Package

challenge to this assignment to met her high skills. Most students were required to use 3 docs to support

their claim, however Daniella was asked to use 6 docs. She did so with eagerness and excellence.

4. What unique qualities does the applicant possess that distinguish him/her amongst their peers?

Her outspokenness. She speaks her mind. I have found that some students are hesitant to counter a

controversial statement of a peer, or to academically challenge an adult or take the risk of being the first voice in a classroom discussion. She does it all seamlessly and it shows her courage to ensure her voice

will not be silenced. I know she will use this voice to benefit the community.

6. Please add any additional insight or comments you may have about the candidate below:

In my 16 years of teaching experience, it is my strong opinion that there are other qualities of a student

that reveals academic potential that you cannot see on a transcript. For me it is the ability to have empathy, exhibit caring and to want to be a member of a community. Daniella is just that. She cares about her peers

and her community. You can see this in her extracurricular activities and in the goals she sets out for herself.

Take for example her involvement in the MaCES Interact Club which engaged in community work outside of school and being an action member of the MaCES Class of 2021 Club which engages in community-buidling

activities in the school community.

(Please insert proof of post-secondary educational institution acceptance/enrollment following this page OR a written statement of your intent to produce proof prior to receipt of grant check should you be selected for award)

Danie Hernandez

Dear Danie:

(Drum roll . . .) Congratulations! I'm thrilled to welcome you to the Pomona College Class of 2025.

This has been a year of great uncertainty and numerous challenges. While we are always impressed and inspired by our early applicants, we have been awed this year by the determination and resilience demonstrated by those we selected for admission. Your application allowed us a peek into both your achievements and your potential, which only made us eager to discover more about you. We believe that you will impact Pomona, just as your experiences here will transform your life. You have already shown that you are intelligent, talented and capable of hard work. Admission to Pomona College is not the "reward" for your efforts, but an opportunity to become

even more knowledgeable, more creative and more aware of both the complexity of the world's challenges and multiple approaches to solving them.

Joining you as you navigate the next four years of growth will be more than 400 peers from all corners of the globe, representing a remarkable variety of backgrounds, experiences, goals and dreams. You are among the first students admitted to the Class of 2025, and we invite you to review our requirements for enrollment through your [application status page](#) before submitting the required enrollment form and \$500 deposit online by **January 1, 2021**. This non-refundable deposit is retained by the College until graduation or post-matriculation withdrawal, at which time any balance is refunded. No refund will be made to candidates who accept admission and withdraw before matriculation.

In signing the Early Decision agreement, you made a commitment to Pomona College and agreed, upon admission, to withdraw all other pending college applications and to initiate no new ones. Admission to the College guarantees and requires on-campus housing in our residence halls. Further information about housing, opportunities to get to know our campus and community, and other enrollment details will be sent to you in March.

I congratulate you on your record of achievement and remind you not to let up now. Our offer of admission is made with the provision that you maintain your strong academic performance as well as your personal integrity. We will review all final transcripts and ask that you have your school forward transcripts at the end of *each* grading period this academic year and send a final transcript confirming your graduation and good standing at the end of the school year, **but no later than July 1, 2021**. Students who do not provide final transcripts may not enroll.

If you have applied for financial aid, your financial aid award is available as a separate link at the bottom of this page.

Once again, I offer you our warmest congratulations. The entire community looks forward to having you join us in the fall.

Kind regards,

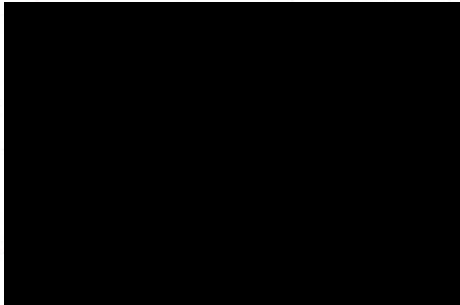

Seth Allen
Vice President for Strategy & Dean of Admissions and Financial Aid

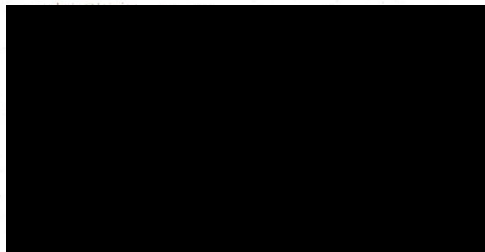

P.S.: If you feel like celebrating on social media, we hope you'll use #inatpomona.

XIII. VCF Scholarship Grant Agreement

I understand that, if I am selected for a VCF Scholarship award, my scholarship is contingent upon my attending a post-secondary educational institution (trade school or college), as represented in this VCF Scholarship application. If for any reason I do not attend, I will return the full amount of my scholarship award to the City of Vernon.

I agree with the terms detailed above and I acknowledge the obligation to return any funds that are not used for the purpose of furthering my post-secondary education.

Vernon CommUNITY Fund Scholarship Applicant Evaluation Form

Applicant: 3 GPA: 4.145
School: Boyle Heights STEM Magnet High School Resident City: East Los Angeles

The criteria below will be used to evaluate applicant:

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

1. DEMONSTRATED FINANCIAL NEED (30 POINTS POSSIBLE)

SCORE 27

The applicant has completed the Financial Analysis Summary to project their anticipated costs for their post-secondary educational pursuits. A VCF Scholarship may be awarded in a dollar amount that considers all financial aid being awarded to applicant and the total cost for their education. Total unmet financial need of applicant is \$ 28K/yr (approx) with an estimated 5K in scholarships/grants/financial aid.

2. COMMUNITY INVOLVEMENT AND LEADERSHIP (30 POINTS POSSIBLE)

SCORE 27

The Autobiographical Essay, Recommendation Forms (and letters if applicable), and Verification of Community Service Hours should collectively demonstrate the applicant's personal motivation, influences, academic ability, and potential. Consideration should be given to the applicant's unique situation and/or experience, career goals, and how receiving a scholarship will help the applicant. Recommendations should speak favorably to the applicant's dependability, initiative, and maturity, and specify applicant's talents and abilities, such as leadership, artistic abilities, excellence in athletics or extra-curricular activities, etc. Applicant should be viewed as capable of success in college. The applicant's participation in events and/or activities (such as student body office, work experience, special family responsibilities and obligations, and/or community service) leading to the accumulation of knowledge, attitudes and skills needed in post-secondary education should be considered. The quality and quantity of such events in the life of the individual should be assessed.

3. ACADEMIC ACHIEVEMENT (20 POINTS POSSIBLE)

SCORE 20

Transcript and report card should validate the applicant's preparedness for post-secondary educational demands. Preparatory courses (e.g. algebra, biology, literature, composition, chemistry, history, government, foreign language) should be completed with passing grades (at a minimum). Through academics, the student should demonstrate their ability to be successful in their pursuit of a trade school/college education.

Vernon CommUNITY Fund Scholarship Program

4. AWARDS AND RECOGNITION (10 POINTS POSSIBLE)

SCORE 9

If application indicates that the student has received awards and/or recognition during their high school career in academics and/or in extracurricular activities, this should be considered. Acknowledgement by others demonstrates how the candidate is regarded and validates their work ethic, spirit, abilities, maturity, and perseverance in efforts to excel.

5. PERSONAL AND/OR FAMILY ATTRIBUTES AND VALUES (10 POINTS POSSIBLE)

SCORE 10

The Autobiographical Essay and Recommendation Forms (and letters if applicable) should convey the applicant's distinguishable characteristics and values. The applicant's ability to be successful in their prospective career will be based upon personal qualities demonstrated in their day-to-day school/work/volunteer activities. Qualities such as motivation, enthusiasm, dedication, and the desire to achieve a successful outcome in their chosen field of study should be assessed.

6. COMMENTS

Very heartfelt and well-written autobiography. Remarkable testimony of overcoming adversity.

Student conveys a passion for helping others, and her career goals are well-suited for her disposition.

Accomplishments include participation in student leadership as senior class president and acceptance

at a top-ranked nursing program which has an acceptance rate of 2%. Her motivation and character

will, undoubtedly, contribute to her success in the future.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Welcome

Thank you for your interest in the Vernon CommUNITY Fund (“VCF”) Scholarship Program! The Vernon CommUNITY Fund and Vernon City Council are dedicated to enriching the local community, and promoting higher education is aligned with our overall mission to contribute to the betterment of the Southeast Los Angeles County region. Vernon leaders are excited to offer the VCF Scholarship to students who are committed to investing in their education for a brighter future.

The City Council of the City of Vernon created the Vernon CommUNITY Fund (“VCF”) to provide grants to charitable and governmental entities for projects and programs that benefit those residing and working in Vernon and its surrounding areas. Sections of the Vernon Municipal Code were adopted by the City Council to establish the Vernon CommUNITY Fund Grant Committee (“Grant Committee”) and provide the basic guidelines and operational procedures for said Committee and its officers, including those related to the allocation of funds and the processes for reviewing and ranking applications and awarding grants. Since its inception in 2014, the VCF Grant Committee has awarded nearly \$4.0 million in grants to non-profit organizations in the Vernon Area.

Over the years, the Grant Committee has sought to expand the work of the Vernon CommUNITY Fund in meaningful ways. The VCF Scholarship Program began as a concept, but quickly gained traction amongst Vernon leaders. The program was deemed to be a great opportunity for the VCF to establish a personal, viable connection with youth in the Vernon Area while supporting their pursuits of higher education and, in turn, elevating the region as a whole by ensuring that the career goals of students in our community are more attainable.

On October 16, 2018, the Vernon City Council authorized the Grant Committee to proceed with the implementation of the VCF Scholarship Program. The implementation of this program is the result of much thought, planning, and care. It has been designed with a true philanthropic mindset. It is the hope of the Vernon CommUNITY Fund and Vernon City Council that the VCF Scholarship Program will be a vehicle that offers many motivated, exceptional young people a path to accomplish their academic and career goals.

Again, thank you for your interest in the VCF Scholarship Program. The selection team looks forward to reviewing your application package and congratulates you on your many educational achievements thus far.

Sincerely,

Vernon CommUNITY Fund Scholarship Program Administration

I. Vernon CommUNITY Fund Scholarship Program Guidelines

The Vernon CommUNITY Fund Scholarship Program focuses on 12th grade students living in the Vernon Area (which includes the cities of Vernon, Maywood, Bell, Huntington Park, Commerce, the area within the City of Los Angeles known as Boyle Heights, and the unincorporated area known as East Los Angeles).

Scholarship Criteria

Vernon Municipal Code (“VMC”) Section 2.166(a)(vi) sets forth the specific selection criteria for scholarship recipients and will be the specific standards used to identify qualified applicants who, ultimately, will be recommended as scholarship recipients. Selection criteria have been identified to clearly define the profile of the scholarship recipient.

Many factors will be considered when evaluating scholarship applicants. Scholarship criteria include an applicant’s financial need, academic achievement, and the geographic distribution of scholarships. The scholarship criteria support the purpose of the Vernon CommUNITY Fund, which was established to provide charitable contributions in support of improved quality of life, strengthening of families, and affirmation of Vernon’s ties with neighboring communities in pursuit of bright futures. The Vernon CommUNITY Fund Scholarship Program was created to provide disadvantaged youth in the Vernon Area the opportunity to achieve success in their post-secondary educational endeavors.

Award Criteria

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

Eligibility

12th grade students enrolling in a post-secondary educational institution with full-time status who reside in the Vernon Area (as defined above) may submit an application for a Vernon CommUNITY Fund (VCF) Scholarship.

Specific eligibility standards are identified within this section. In order to be considered for award, applicants must meet all of the following detailed criteria:

- Graduating High School Senior
- Achievement of a Minimum Weighted Grade Point Average of 2.0 in high school level coursework for trade school or two-year College applicants; or Minimum Weighted Grade Point Average of 2.5 in high school level coursework for four-year College/University applicants at the time of VCF Scholarship application submission

Vernon CommUNITY Fund Scholarship Program Applicant Package

- Pursuit of a two-year or four-year Degree from accredited College/University; or pursuit of Trade School Certification
- Full-time enrollment at post-secondary educational institution of choice (minimum of 12 units for college) at the time of award
- Immediate transition into a post-secondary educational institution upon graduation from high school (must begin post-secondary coursework within 6 months of graduation)
- Residency in the Vernon Area (U.S. Citizenship is not required); minimum Area residency of 12 months
- Demonstration of strong leadership skills and responsibility (successfully communicated in scholarship application)
- Active in extracurricular activities (i.e., school/community involvement/employment/internship)
- A minimum of 20 hours of community service from 9th grade to first semester of 12th grade
- Not a City of Vernon employee or a legal dependent of a City of Vernon employee, Vernon City-appointed official, or Vernon City-elected official

Application Procedures

The information requested on the application is a reflection of the selection criteria designated for the VCF Scholarship Program. The following question and answer section (Q&A) addresses issues related to the VCF Scholarship application process:

Q: Where and when are scholarship applications available?

A: Beginning on January 1st of each year, applications will be available on the Vernon CommUNITY Fund website: www.vernoncommunityfund.org

Q: Where should scholarship applications be submitted?

A: Students may submit their complete application packages to the Vernon City Hall City Administration Office. Contact information is available on the website if any questions or technical issues arise during the application submission process.

Q: When are scholarship applications due?

A: The Vernon CommUNITY Fund will accept scholarship applications through the last Thursday in March.

Q: What additional information/documents must accompany the scholarship application?

A: As per the eligibility criteria noted above, students must submit proof that they reside and have resided for at least 12 months in the Vernon Area (e.g. utility bills); most recent report card; evidence of GPA with high school transcripts; sworn statement (found on the Vernon CommUNITY Fund website in scholarship applicant package) of a teacher or program director/supervisor with knowledge that applicant has performed the minimum amount of community service; and evidence of extracurricular activities. Although not required, students may also include letter(s) of recommendation, and/or letter(s) from post-secondary educational institution(s) along with their scholarship application.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Q: How and when will the scholarship award winners be notified?

A: Scholarship grant applicants recommended for award will be reviewed at the regular VCF Grant Committee meeting in May. Applicants selected for award will be notified within one week of scholarship award via email.

Q: How and when will the scholarship awards be disbursed?

A: Award disbursement will occur in June, with checks directly mailed to scholarship grantees.

The VCF Grant Committee retains the right to withhold scholarship grants in any given year if no candidate is determined to be qualified.

Additional Considerations

- Scholarship amount will be based on applicant competition and funds available for award
- Personal interview of scholarship applicant may or may not be required, and shall be determined after initial review of applicant pool
- Applications may be summarily denied, with or without prior notification to the applicant, if any statements or representations in the application and supporting materials are found to be untruthful, dishonest, or misleading

Selection Procedures

Procedures for selection of award will mirror the current process used for the award of direct service grants and capital grants through the Vernon CommUNITY Fund. The initial evaluation of a scholarship application will be a joint effort amongst City staff and consultant, Jemmott Rollins Group (JRG). Ultimately, the application of any candidate(s) recommended for award will be brought to the Vernon CommUNITY Grant Committee in May for deliberation and approval(s) of grant(s).

The VCF Scholarship Program is designed to benefit a broad class of beneficiaries through an objective process that is nondiscriminatory in nature.

Vernon CommUNITY Fund Scholarship Program Applicant Package

II. Vernon CommUNITY Fund Scholarship Program Timeline

A VCF Scholarship Program Timeline has been established based upon the calendar year. In summary, applications are accepted beginning January 1st through the last Thursday in March of a given year. In May, the Vernon CommUNITY Fund Grant Committee will select scholarship grantees. Funds for scholarship awards will be dispersed in June to all scholarship grant recipients.

VII. Vernon CommUNITY Fund Scholarship Applicant Autobiographical Essay Guide

Autobiographical Statement

In essay form, please respond to as many of the following prompts as are applicable to your situation and/or personal experience:

- Effectively express your career goals and detail your plan to achieve success in your chosen field of study
- Identify work, volunteer, internship(s), and/or extracurricular experience and how and why it has impacted you
- Describe who or what has most influenced and motivated you to pursue a higher level of education and explain why
- Indicate why receiving a scholarship from the Vernon CommUNITY Fund will assist you in achieving your academic goals
- Discuss your academic ability and potential to be successful in your pursuits
- Provide a coherent, well-organized written product that conveys why you should receive a VCF Scholarship
- Identify any unique characteristics about yourself, your family and/or life circumstances that you would like to be considered in the evaluation of your application package

The prompts above appear in no particular order of importance, nor are you required to address each in your essay. The essay guide has been designed to provide you with insight into what the VCF Grant Committee may be interested in learning about you as a VCF Scholarship Applicant.

Your essay must be submitted in the following format:

- Typed (12 point font)
- Double spaced
- Written in first-person
- A combined total of three (3) pages or less

Reminders for Your Written Work

Structure/Organization

Your essay should give the reader a concise sense of who you are and how your particular life experiences have contributed to your current path. The structure of the essay should support its overall message and convey your personality. The story that you are telling should be logical, with a clear introduction, solid supporting ideas, and a conclusion.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Specific Examples

If you choose to reference life experiences or situations in your essay, they should be specific and not general. Each example that you include in your essay should help showcase your character traits and distinguish you, as an individual, from the other applicants.

Significance

The experiences or situations you include in the essay should address the prompts in a meaningful way. Additionally, they should show significance to your overall message, and lend support to your educational, career, and personal goals.

(Please insert your essay following this page)

At a young age, helping others was always something that came naturally to me. When I was younger, my father would arrive home from his job as an HVAC technician with cuts on his fingers, so I eagerly stepped in as his nurse. I would sterilize his wounds and wrap them carefully with bandages. While this might seem like a juvenile reason to choose nursing as my perfect career choice, the examples continued throughout my life. I want to become a nurse because working with others and helping them would make me happy. I am a very social person, and I can use it to my advantage since I have always been in love with the medical field. When I was eight, I told my parents I wanted to be an anesthesiologist, probably not knowing what one did. Now that I am older, it has morphed into nursing with my ultimate goal of becoming a nurse anesthetist. The high school I attend is STEM-focused. I have taken very rigorous math and science courses and have taken every AP class possible. I exhausted all the math offerings by junior year because I took rigorous math courses over the summers to advance.

Although I grew up in a Spanish-speaking home, I have excellent communication and language skills and have taken multiple AP English courses where I scored a four on the exam. I am also fluent and proficient at reading and writing in Spanish and have many years of experience translating documents since my mother speaks and reads only Spanish. Utilizing my strong bilingual skills in the nursing field will benefit others. I have witnessed the divide and struggle between my mother and English-speaking medical professionals. At my current high school in Boyle Heights, I have received the Principal's Honor Roll and the Student Recognition award every semester throughout high school. I am thrilled to have been invited into UCLA's pre-licensure nursing program, with an acceptance rate of only 2%.

My parents are my primary motivation to attend college. Growing up, I noticed how hard they worked and how little they earned. They always mentioned that getting a degree meant that I would work but not as hard as they had to for the little income they made. Whenever there was a choice between public or charter schools, my parents always decided to enroll me in charter school since I would have

better opportunities. Even though my parents did not get a chance to go to college, they've always recognized the importance of obtaining a good education. I would benefit from Vernon Community Scholarship Fund to pay loans, cover personal expenses, travel/commute expenses, housing, etc. Our Expected Family Contribution at \$21,000 is still very unaffordable for my family. I know that I will need additional financial help to attend UCLA.

Although I have had prominent leadership roles, such as Junior Class Vice President and this year's Class President, I have expressed nursing leadership skills with my family. For the past four years, I have taken on a significant role in caring for my brother's children. My brother is in the U.S. Airforce and gets deployed often; I offered my help in taking care of his children. I drive up to Sacramento to watch over my seven-year-old niece and my three-year-old twin nephews. Every summer, it is my job to oversee them while their parents work. I schedule meals, organize bathing routines, play games, and read to them. This past October, I spent the whole month with the children assisting with online school while my sister-in-law worked overnight shifts and my brother was deployed to New York. I needed to organize my time well since I was also managing my academics virtually. Through this experience, I took on a parental caregiving role and gained the trust of my brother and his children.

Right before I left for Sacramento, my father was diagnosed with pre-diabetes. I became quite concerned since he is relatively young at 47 years old. I created a diet for him to lose not only weight but also lower his blood sugar. My father is obese, so I had to find a way for him to eat well and workout in a healthy way that would apply to his specific condition. Before my departure, I set him up on a regimen and checked in with him daily via FaceTime. My father lost 55 pounds in four months and regulated his blood sugar thanks to my positive influence. Taking on these responsibilities has helped me expand my leadership and caretaking skills, directly related to my nursing career choice. I intend to be as motivating, reliable, and compassionate to my future patients as I am with my father and my brother's children.

In March 2019, I was diagnosed with Polycystic Ovarian Syndrome (PCOS). PCOS causes enlarged cystic ovaries, obesity, depression, acne, and hair loss--a laundry list of the worst possible things a teenage girl could experience. Another symptom, infertility, I would be retested for at 18. I proceeded to find comfort through eating, attempting to fill empty and depressed feelings, so getting on a scale became my greatest fear as I watched the numbers grow bigger. During the next five months, I experienced a severe change in myself, not in a healthy way.

In September of that same year, I decided not to allow this disorder to control my life, mentally or physically. I joined Students Run Los Angeles and made it my goal to lose weight and become healthier. I changed my diet by eating fewer carbohydrates and sugar, and soon after, I began running. I started with one mile and gradually increased my mileage. While training, I started losing weight, and as a result, my blood pressure and menstrual cycle regulated. Running was an outlet for me to forget about my worries and allowed me to focus on breathing and letting go. The culmination of my many months of training was running 26.2 miles in the L.A Marathon on March 8th, 2020. After being diagnosed with PCOS, I discovered ways to access support. While I have always enjoyed helping others, I finally had the opportunity to be a successful advocate for myself. The camaraderie I experienced with my new running friends was a great mental benefit to me during this time, but the nurses at the hospital taught me about self-care. They suggested specific diets, gave me helpful resources, and, most importantly, made me feel at ease. My care team's attention to detail, compassion, and bilingual communication are skills that I also share. Having an interest in a medical field career since I was ten, this personal experience solidified nursing as a major for me. My experience also demonstrates my ability to problem solve effectively, which is another quality of an excellent nurse. Now I am certain that I can find practical solutions when faced with future challenges in my nursing education at UCLA and in life. I am grateful for your consideration for this scholarship.

If a question included on this form is not applicable to your relationship with the applicant and you are unable to evaluate them on that subject as a result, please indicate "N/A", or not applicable as a response.

1. How long have you known the applicant? Four
2. What is your relationship to the applicant? Dianne has been my since her sophomore year.

I have had Dianne as a student, for both underclassmen Honors English classes and for Advanced Placement English classes, where she always shined brightly. I have also worked with her on projects, and on Senior Activities.

3. What is your assessment of the applicant's ability to succeed in his/her goal to attain a higher level of education?

Dianne is: steadfast, determined, and extremely resilient. When Dianne sets her mind to something, she sees it through. She has always come to class prepared for it all. Whether we were doing an essay that day or having a Socratic Seminar, she was more than ready.

And something else, Dianne is someone who loves challenges—and rather than backing away from them, she confronts. She sees them, breaks them

Vernon CommUNITY Fund Scholarship Program Applicant Package

down, and goes forward. I do believe Dianne is someone who will not only make herself and her family proud, I believe she will make your program

proud. I believe she will not only succeed in your program, but she will continue on with her education.

4. What unique qualities does the applicant possess that distinguish them amongst their peers?

Dianne is on top of all of her assignments. Moreover, she is always prepared to participate in discussions, both small and large group discussions. This is important, because although Dianne may seem shy, she does not allow her shyness to impede her voicing and communicating her thoughts, ideas, and passions. It is this characteristic that stands out to me the most.

Last year, when Dianne was a junior, she had joined Students Run Los Angeles (SRLA), and I was a little surprised by this. She never seemed like the kind of person to join a sport, especially one that consisted of long distance running. SRLA was on another level of sports, because essentially they were training to run the LA marathon in March 2020.

She admitted to me several times that she was scared of the marathon, and the fact that she felt she was the slowest runner on the team. But, she was steadfast, determined, and had a lot of heart because in the end, she finished the marathon, something most people never even try or even train for. Here, in her junior year of high school, feeling unsure of herself at times, she accomplished this.

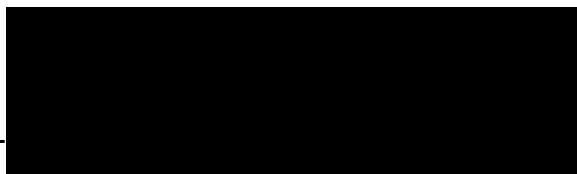

5. Based on your knowledge of the applicant, how would you rate their skills, characteristics, and motivation?

6. Please provide any additional comments you may have to share about the candidate below:

I admittedly think Dianne is capable of doing anything -- this feat is one of those milestones in life that proves to oneself, I can do this, or I can do anything I set my mind to. I know she will succeed in a nursing program. Like the marathon, she would take it apart in increments, this feat is one of those milestones in life that proves to oneself and get each one done -- and, she would help others with encouragement, like she has done before. Dianne receiving your scholarship will only help her reach her goals.

Dear Dianne:

Congratulations! It is our great pleasure to offer you admission to UCLA for the Fall Quarter 2021. You have been admitted to the School of Nursing with Nursing-Generic/Prelicensure as your academic major.

You were selected from the largest college applicant pool in the nation—over 139,000 students applied to UCLA. Your talents and academic accomplishments are exceptional, and we know that you will thrive here. With over 125 majors and 80+ minors, the academic breadth available to you as a student is second to none. You will also receive personal attention from instructors: two out of three undergraduate classes have fewer than 30 students. Our campus community of over 1,000 clubs and organizations will give you opportunities to engage and explore with your fellow Bruins.

UCLA prepares you to step into your future through our unique combination of cutting-edge academic programs, a diverse and enriching student life, support for career exploration, and a college town located in Los Angeles, one of the most innovative and diverse cities in the world. You will have every opportunity imaginable to develop the talents and interests that will lead you to success.

Your next step is the formal acceptance of our admission offer, which you can complete at the [New Bruins website](#). The site also includes information about important deadlines and your housing application. **Please review your Admission Contract to ensure that you will continue to meet the conditions of our offer.** For your reference, your UCLA Student ID is shown above.

For now, enjoy this moment and what it signifies—that you are about to begin one of the most exciting chapters in your life. I hope you are excited about the journey ahead! Los Angeles is about dreaming big, so I encourage you to realize your dreams here at UCLA. We proudly invite you to join our class of 2025.

Go Bruins!

Sincerely,

Gary A. Clark, Jr.

Vernon CommUNITY Fund Scholarship Applicant Evaluation Form

Applicant: 4 GPA: 4.366
School: Maywood Center for Enriched Studies Resident City: Maywood

The criteria below will be used to evaluate applicant:

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

1. DEMONSTRATED FINANCIAL NEED (30 POINTS POSSIBLE) **SCORE** 27
The applicant has completed the Financial Analysis Summary to project their anticipated costs for their post-secondary educational pursuits. A VCF Scholarship may be awarded in a dollar amount that considers all financial aid being awarded to applicant and the total cost for their education. Total unmet financial need of applicant is \$ 82K/yr (approx) with an estimated 57K in scholarships/grants/financial aid.

2. COMMUNITY INVOLVEMENT AND LEADERSHIP (30 POINTS POSSIBLE) **SCORE** 29
The Autobiographical Essay, Recommendation Forms (and letters if applicable), and Verification of Community Service Hours should collectively demonstrate the applicant's personal motivation, influences, academic ability, and potential. Consideration should be given to the applicant's unique situation and/or experience, career goals, and how receiving a scholarship will help the applicant. Recommendations should speak favorably to the applicant's dependability, initiative, and maturity, and specify applicant's talents and abilities, such as leadership, artistic abilities, excellence in athletics or extra-curricular activities, etc. Applicant should be viewed as capable of success in college. The applicant's participation in events and/or activities (such as student body office, work experience, special family responsibilities and obligations, and/or community service) leading to the accumulation of knowledge, attitudes and skills needed in post-secondary education should be considered. The quality and quantity of such events in the life of the individual should be assessed.

3. ACADEMIC ACHIEVEMENT (20 POINTS POSSIBLE) **SCORE** 20
Transcript and report card should validate the applicant's preparedness for post-secondary educational demands. Preparatory courses (e.g. algebra, biology, literature, composition, chemistry, history, government, foreign language) should be completed with passing grades (at a minimum). Through academics, the student should demonstrate their ability to be successful in their pursuit of a trade school/college education.

Vernon CommUNITY Fund Scholarship Program

4. AWARDS AND RECOGNITION (10 POINTS POSSIBLE)

SCORE 10

If application indicates that the student has received awards and/or recognition during their high school career in academics and/or in extracurricular activities, this should be considered. Acknowledgement by others demonstrates how the candidate is regarded and validates their work ethic, spirit, abilities, maturity, and perseverance in efforts to excel.

5. PERSONAL AND/OR FAMILY ATTRIBUTES AND VALUES (10 POINTS POSSIBLE)

SCORE 10

The Autobiographical Essay and Recommendation Forms (and letters if applicable) should convey the applicant's distinguishable characteristics and values. The applicant's ability to be successful in their prospective career will be based upon personal qualities demonstrated in their day-to-day school/work/volunteer activities. Qualities such as motivation, enthusiasm, dedication, and the desire to achieve a successful outcome in their chosen field of study should be assessed.

6. COMMENTS

Recurring theme of intellectual curiosity, highly motivated, willing to advocate for convictions.

Application conveys a focused student with extraordinary community involvement and ability to

transform impediments into motivation towards action. Student has tremendous drive to succeed, and

a desire to inspire and empower, and is excited to give back to her community. Her accomplishments

thus far are indicative of the great success she will achieve in her academic and career pursuits.

“Son cosas de hombres,” (*That’s for men*) - the haunting criticism to my passions.

Since elementary, I geeked out over computers and anything related to technology. I remember begging my parents to take me to the Apple store every year so that I could interact with their newest technology. It was not until my junior year, that I was truly able to explore the magical field of computer science and enroll in a course. Growing up around many other Latinas in Maywood, California, I expected support for my passions from those who looked like me. Instead, I was disheartened by comments like “Why don’t you become a nurse or stay-at-home mom?” and computer science is “too hard” or “not for us.” These comments followed me with every error I made and left me to question if there was a place for a brown girl in the field.

Fortunately, my AP Computer Science teacher encouraged me to apply to an all-girls programming course. I was ecstatic to open my acceptance letter, yet on my first day, I was quickly discouraged; I vividly remember having my head on a swivel trying so hard to search for someone who looked like me. In my isolation, feelings of estrangement, hopelessness, intimidation, and shame flooded my head as I worked to complete the program. It was at that moment that I knew I had to embrace my experiences to overcome this travail. I knew that it was up to me to be the change that I not only wanted to see for myself, but for the girls who felt the same as I did.

I realized that my community lacked a fierce Latina leader; someone who could make long-term investments in the Latinas of Maywood, elevate them, and unleash their full potential.

In an effort to develop and harness the potential of the Latinas in Maywood and give them support and acceptance, I founded a community organization called LatinasxTech. I was frustrated by the discouragement of people who looked nothing like me and tired of seeing men idolized for their technological contributions to society. Thus, I created LatinasxTech to empower the brown girls of underserved communities like mine to explore and pursue the field of computer science. Through building

a strong support system of Latinas interested in STEM, my organization works to support every woman so that they do not ever feel like I did when I questioned if brown skin was a curse or if success meant being a few shades lighter. LatinasxTech has already assisted five high school girls in Maywood to explore computer science and is expanding with its social media presence to unite more girls from all over the country. Most recently my organization has been followed and noticed by CBS Tech Expert Jessica Naziri and the NASA Johnson Space Center for the work it's doing to increase diversity in the STEM fields.

My experiences learning computer science and founding LatinasxTech are greatly shaping my future. I plan to attend a 4-year university and pursue a computer science degree with a business minor. With support from the VCF scholarship I will be able to focus on committing to a college that will give me the best computer science education and not have to limit my options due to finances. I will use the VCF scholarship to help me reach my goals of creating a better and accessible world for everyone.

However, I want to go beyond attaining a computer science degree and landing a programming job at a large tech company. One day, I will return to Maywood as an educator to expand the reach and impact of LatinasxTech. My organization will inspire more minority women, who currently only make up two percent of the STEM workforce, by providing personalized resources and working alongside other leaders in my community to implement long-term change. As a high school educator, I intend to advocate for other passionate and dedicated women in my community, work hard to close the gender gap in computer science, and diversify the field. I aspire to be a role model for women of color. It is my goal to have LatinasxTech create the next wave of Latina engineers, computer scientists, programmers, and tech CEOs.

Through my interest in mending gender and racial inequality within my community and computer science, the criticism that once haunted me will have lost its power. By making the investment in my organization and community, my community won't be known for its cruel judgments but for the endless

success stories. For the people who change our world. For the brown girls who dominate the tech industry. For the girl who pushed for change.

Recommendation Form

Name of VCF Scholarship Applicant: Emily Mojica

To the individual completing this form:

The person whose name appears above is applying for a Vernon CommUNITY Fund Scholarship. The selection committee dedicated to evaluating all scholarship applicants kindly requests that your answers to the questions about the applicant be specific, thorough, and candid. Please make note of particular examples that illustrate his/her maturity, initiative, and potential to succeed in the applicant's educational endeavors and chosen career. Please understand that your recommendation may be made available for inspection at the applicant's request in accordance with the Family and Educational Rights and Privacy Act of 1974 and related laws and regulations.

Please complete the following:

Your Name: Julia Cervantes-Espinoza Title: Instructional Technology Facilitator

School/Organization: Maywood Center for Enriched Studies (MaCES), Los Angeles Unified School District (LAUSD)

Address: 5800 King Ave. Maywood, CA 90270

Email: [REDACTED] Phone: [REDACTED]

If a question included on this form is not applicable to your relationship with the applicant and you are unable to evaluate them on that subject as a result, please indicate "N/A", or not applicable as a response.

1. How long have you known the applicant? 1 year 2 months
2. What is your relationship to the applicant? I am happy to say that I am not only a teacher, but a personal mentor and friend to Emily. I am an out-of-the-classroom teacher support staff at MaCES. I am involved with Emily in organizations she is not only a part of, but also a student leader: the Computer Science Honors Society (CSHS), Student Leadership (ASB), Girls Who Code (GWC), the National Honors Society (NHS), and the Wolfpack Times.
3. What is your assessment of the applicant's ability to succeed in his/her goal to attain a higher level of education?
I have no doubt that Emily will not only attain a higher level of education but that she will continue to make a difference in her community after college. Emily is not only a school leader, but she is a leader among leaders at MaCES. She is driven but also makes sure that her constituents have a voice and vote. She has lead and overseen countless school events. Not only in-person but also virtually since March 2020.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Her passion for her ideals around representation for minorities and Latinx women in the fields of Computer Science and STEM is not only something she says but is something she is actively making a difference in her community to bridge the existing gap. She has expanded her organizations' presence onto social media.

4. What unique qualities does the applicant possess that distinguish him/her amongst their peers?

She is self-motivated, an empowered learner, and a mentor to others. She is known around the school as a leader who gets the job done. She has strong presentation skills, she is flexible, and most importantly, a team player. She is very strong in her knowledge of computer science and coding. She knows how to code in different programming languages, she knows how to create websites from scratch with her coding skills, and in addition, once she learns something new, she creates events where she can then teach others what she has just learned. Most recently, Emily was one of forty young high school girls in tech to receive a National Award from the National Center for Women & Information Technology due to her leadership around technology within her various school organizations, her community, and her positive and proactive social media presence. Emily created the MaCES College Center Instagram, worked to build the MaCES College Center website, and is working on launching a school-wide college mentorship program where MaCES Alumni mentor underclassmen for college-going.

5. Based on your knowledge of the applicant, how would you rate the applicant's skills, characteristics, and motivation?

	Outstanding	Above Average	Average	Deficient
Academic Achievement	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Leadership Capability	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Potential for Growth	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

6. Please add any additional insight or comments you may have about the candidate below:

In due time, I have no doubt that Emily will be someone who girls and boys, in specific from the South East community, will look up to and claim her as their own. I eagerly await to see the contributions she will make to all of society through her knowledge in computer science and coding. With these skills, she is capable of finding a cure for cancer, landing us on another celestial body, and finding ways in which to bring equity and access to all. Emily has thrived in this pandemic in her studies, and not because it has been easy, but because she has an unwavering determination that few of us have. In addition, Emily serves as the President of the Girls Who Code club at MaCES, she is the Managing Editor of the MaCES Wolfpack Times, and is a founding member of the Computer Science Honor Society, which with her help, launched this year for the very first time at her school. As an advocate for young Latinx students in the STEM fields, Emily is currently expanding the reach of her organization, LatinaxTech, with free virtual 1-on-1 coding workshops for students in the 6-12th grades.

Please feel free to contact me should you have any questions or would like to know more about this extraordinary young woman, Emily Mojica.

6. Please provide any additional comments you may have to share about the candidate below:

It is my honor to recommend Emily Mojica for the VCF scholarship. I serve as Emily's college counselor at Maywood Center for Enriched Studies (MaCES) where she has been a high achieving scholarly student since freshman year. With a strong commitment to her academics and community, Emily is a well deserving candidate for your scholarship. In the time that I have worked with Emily she has grown so much. During this time, I have personally witnessed the professionalism in which Emily interacts with all stakeholders. She understands the needs of her peers and the community and is more than capable of providing the resources and supports they need. Her natural ability to be an advocate and work towards providing the best opportunities not only for herself but also for everyone speaks volumes to the dedication and passion she has as a true leader. She has a natural way of building connections and uses that to bring awareness of the need for more resources to MaCES. She has made a very strong impact on our school site. One example is when she took it the lead in creating MaCES college center website. Emily was able to address the needs from a student's perspective to provide valuable information about colleges and career so that all students at MaCES will have access especially during distance learning. This is just one of many contributions Emily has made to our school during her four years at our school and a testament to the strong leadership abilities that Emily possesses.

Dear Vernon Scholarship Committee:

It is a true honor to write on behalf of Emily Mojica, one of the most exceptional students and human beings I have encountered in my 14 years of teaching. My recommendation is based on being Emily's Computer Science teacher and club advisor for two years at Maywood Center for Enriched Studies Magnet School(MaCES).

Emily is a passionate, ambitious, cheerful, composed, optimistic and empathic leader with a vision to see her community thrive. Two years ago, I approached her about applying for a summer coding program and since then, she is determined to inspire an interest in and encourage others to pursue STEM and Computer Science, all while being an exceptional student. Emily has helped to increase the enrollment of girls in Computer science classes through her outreach/recruitment program. She manages multiple social media accounts including the CS Honor Society and Latinas x Tech that aims to inspire and motivate underrepresented groups of girls to pursue STEM related careers. She has also become a leader and mentor in our MaCES Girls Who Code club by holding the Vice-President and President positions. This year, she spearheaded the establishment of the Computer Science Honor Society sponsored by the Computer Science Teacher Association(CSTA). Her work was also acknowledged and was awarded the National Center for Women & Information Technology (NCWIT) Award for Aspirations in Computing. It has truly been an honor to see a young Latinx woman determined to close the gender disparities in STEM and Computer Science.

Without a doubt, Emily is a leader with an extremely positive and professional attitude, she is an example of a well-rounded student leader. She is highly respected and admired by her peers as seen by her selection to the ASB President seat. She was also selected by the entire Maywood Center for Enriched Studies staff as the first digital citizen agent to represent MaCES. As a result, Emily was chosen to be filmed by LAUSD Instructional Technology Initiative to represent MaCES at the DigCitCommit 2020 Conference.

Her intellectual accomplishments are as impressive as her personal strengths. Emily is very perceptive, sharp and loves the struggle that comes with learning new skills. As our underrepresented community fights to bring more Computer Science courses to our campus, Emily has taken upon herself to enroll in Computer Science courses during the summer. She has maintained above a 4.0 GPA all while being a role model to many young girls. She has also pursued various mentorship programs with the goal of expanding her view and understanding of the Computer Science/Tech world. She is passionate about learning and advocating for Computer Science and STEM, that makes her an ideal fit for any program.

In summary, Emily is very organized, self-assured, extremely cooperative, and always goes beyond what is required of her to complete her academic duties and excel in her extracurricular activities. She also possesses great communication skills and is very positive in interacting with her peers, teachers and staff. Her personal skills are exceptional and her passion is unparalleled. Emily is a force to be reckoned with, we need more young girls like her in this world and in the tech industry.

convictions, leads me to believe there will be no limit to her growth and accomplishments in college and beyond. If I can provide further information, please do not hesitate to contact me at (562) 228-9290. I wish you all the best in your selection process.

Sincerely,

Maria Camarena | Computer Science Educator & Department Chair

IX. Vernon CommUNITY Fund Scholarship Program Proof of Post-Secondary Educational Institution Acceptance/Enrollment

Proof of post-secondary educational institution acceptance and/or enrollment is one of the requirements for a VCF Scholarship. Please submit documentation that fulfills this requirement along with your application package.

If you have not received an official notification of acceptance from the institution that you will attend and you are selected for scholarship award, proof of acceptance/enrollment must be presented prior to the issuance of the scholarship grant check. If this applies in your case, please include an explanation of the particular circumstances affecting you, and acknowledge that you will be required to produce proof prior to the issuance of any scholarship grant award.

(Please insert proof of post-secondary educational institution acceptance/enrollment following this page OR a written statement of your intent to produce proof prior to receipt of grant check should you be selected for award)

Emily Mojica

Dear Emily,

Congratulations! Based on your outstanding academic record and contributions to your school and community, the Office of Admission is delighted to offer you admission to the Wellesley College Class of 2025. Wellesley's applicant pool was highly competitive this year, and your acceptance is a testament to your hard work and compelling personal qualities. As a member of the Class, you will join a dynamic community of women making a difference in the world.

A Wellesley education has a tangible, lasting effect on women, and therefore the world. Here you will spend four years in a vibrant learning environment characterized by individual attention from our renowned faculty, and you will benefit from intellectual rigor and unprecedented opportunities on campus, in Boston, and beyond. You will become part of a diverse, multicultural community with classmates and professors from all over the globe, and you will be amazed by the powerful sisterhood and by the zealous and lifelong support of the alumnae network. Undoubtedly, your Wellesley years will provide the foundation for an extraordinary life.

We recognize that these are unprecedented circumstances in which to make a college choice. Although we cannot host you on campus at this time, we are eager to share with you the many ways that you can connect with current and future classmates at Wellesley College. One such opportunity is THRIVE!, our admitted student program, which will feature conversations and panels with current students, faculty, and alumnae. Additionally, you will soon receive an invitation to join an online community, THRIVE '25, where you can engage in deeper, more meaningful conversations with current students and your future classmates. Be sure to revisit your applicant portal where you'll find more details about these engagement opportunities.

Traditionally, our reply deadline has been May 1. This year, however, we've extended the reply deadline to May 3. Please visit your applicant portal to find information about the reply deadline and to complete the [Reply to Offer of Admission](#) form. You must also submit the non-refundable \$600 general deposit.

All offers of admission to Wellesley are contingent upon the successful completion of this academic year at the same high level of achievement presented to the Office of Admission for review and continued good citizenship.

Once again, congratulations on your acceptance to Wellesley College. To us, every new class is a gift: some of the most talented, community-minded, multidimensional women on the planet. We are excited to offer you a place in the Wellesley community and we hope you will join us in the fall.

Sincerely,

Joy St. John
Dean of Admission and Financial Aid

XIII. VCF Scholarship Grant Agreement

I understand that, if I am selected for a VCF Scholarship award, my scholarship is contingent upon my attending a post-secondary educational institution (trade school or college), as represented in this VCF Scholarship application. If for any reason I do not attend, I will return the full amount of my scholarship award to the City of Vernon.

I agree with the terms detailed above and I acknowledge the obligation to return any funds that are not used for the purpose of furthering my post-secondary education.

Vernon CommUNITY Fund Scholarship Applicant Evaluation Form

Applicant: 5 GPA: 4.3
School: Maywood Center for Enriched Studies Resident City: Bell

The criteria below will be used to evaluate applicant:

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

1. DEMONSTRATED FINANCIAL NEED (30 POINTS POSSIBLE)

SCORE 30

The applicant has completed the Financial Analysis Summary to project their anticipated costs for their post-secondary educational pursuits. A VCF Scholarship may be awarded in a dollar amount that considers all financial aid being awarded to applicant and the total cost for their education. Total unmet financial need of applicant is \$ 79K/yr (approx) with an estimated 32K in scholarships/grants/financial aid.

2. COMMUNITY INVOLVEMENT AND LEADERSHIP (30 POINTS POSSIBLE)

SCORE 28

The Autobiographical Essay, Recommendation Forms (and letters if applicable), and Verification of Community Service Hours should collectively demonstrate the applicant's personal motivation, influences, academic ability, and potential. Consideration should be given to the applicant's unique situation and/or experience, career goals, and how receiving a scholarship will help the applicant. Recommendations should speak favorably to the applicant's dependability, initiative, and maturity, and specify applicant's talents and abilities, such as leadership, artistic abilities, excellence in athletics or extra-curricular activities, etc. Applicant should be viewed as capable of success in college. The applicant's participation in events and/or activities (such as student body office, work experience, special family responsibilities and obligations, and/or community service) leading to the accumulation of knowledge, attitudes and skills needed in post-secondary education should be considered. The quality and quantity of such events in the life of the individual should be assessed.

3. ACADEMIC ACHIEVEMENT (20 POINTS POSSIBLE)

SCORE 20

Transcript and report card should validate the applicant's preparedness for post-secondary educational demands. Preparatory courses (e.g. algebra, biology, literature, composition, chemistry, history, government, foreign language) should be completed with passing grades (at a minimum). Through academics, the student should demonstrate their ability to be successful in their pursuit of a trade school/college education.

Vernon CommUNITY Fund Scholarship Program

4. AWARDS AND RECOGNITION (10 POINTS POSSIBLE)

SCORE 9

If application indicates that the student has received awards and/or recognition during their high school career in academics and/or in extracurricular activities, this should be considered. Acknowledgement by others demonstrates how the candidate is regarded and validates their work ethic, spirit, abilities, maturity, and perseverance in efforts to excel.

5. PERSONAL AND/OR FAMILY ATTRIBUTES AND VALUES (10 POINTS POSSIBLE)

SCORE 10

The Autobiographical Essay and Recommendation Forms (and letters if applicable) should convey the applicant's distinguishable characteristics and values. The applicant's ability to be successful in their prospective career will be based upon personal qualities demonstrated in their day-to-day school/work/volunteer activities. Qualities such as motivation, enthusiasm, dedication, and the desire to achieve a successful outcome in their chosen field of study should be assessed.

6. COMMENTS

Passion for being a resource to others is impressive and admirable. Wonderful testimony of family

support and parents. The perspective on intelligence, learning and curiosity outside of formal

education is profound. Solid community and school involvement. Initiating school clubs and

and performing extracurricular research demonstrates initiative toward future education and career

goals. Student has seen firsthand their ability to influence others, and make a positive impact in the

world.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Welcome

Thank you for your interest in the Vernon CommUNITY Fund (“VCF”) Scholarship Program! The Vernon CommUNITY Fund and Vernon City Council are dedicated to enriching the local community, and promoting higher education is aligned with our overall mission to contribute to the betterment of the Southeast Los Angeles County region. Vernon leaders are excited to offer the VCF Scholarship to students who are committed to investing in their education for a brighter future.

The City Council of the City of Vernon created the Vernon CommUNITY Fund (“VCF”) to provide grants to charitable and governmental entities for projects and programs that benefit those residing and working in Vernon and its surrounding areas. Sections of the Vernon Municipal Code were adopted by the City Council to establish the Vernon CommUNITY Fund Grant Committee (“Grant Committee”) and provide the basic guidelines and operational procedures for said Committee and its officers, including those related to the allocation of funds and the processes for reviewing and ranking applications and awarding grants. Since its inception in 2014, the VCF Grant Committee has awarded nearly \$4.0 million in grants to non-profit organizations in the Vernon Area.

Over the years, the Grant Committee has sought to expand the work of the Vernon CommUNITY Fund in meaningful ways. The VCF Scholarship Program began as a concept, but quickly gained traction amongst Vernon leaders. The program was deemed to be a great opportunity for the VCF to establish a personal, viable connection with youth in the Vernon Area while supporting their pursuits of higher education and, in turn, elevating the region as a whole by ensuring that the career goals of students in our community are more attainable.

On October 16, 2018, the Vernon City Council authorized the Grant Committee to proceed with the implementation of the VCF Scholarship Program. The implementation of this program is the result of much thought, planning, and care. It has been designed with a true philanthropic mindset. It is the hope of the Vernon CommUNITY Fund and Vernon City Council that the VCF Scholarship Program will be a vehicle that offers many motivated, exceptional young people a path to accomplish their academic and career goals.

Again, thank you for your interest in the VCF Scholarship Program. The selection team looks forward to reviewing your application package and congratulates you on your many educational achievements thus far.

Sincerely,

Vernon CommUNITY Fund Scholarship Program Administration

I. Vernon CommUNITY Fund Scholarship Program Guidelines

The Vernon CommUNITY Fund Scholarship Program focuses on 12th grade students living in the Vernon Area (which includes the cities of Vernon, Maywood, Bell, Huntington Park, Commerce, the area within the City of Los Angeles known as Boyle Heights, and the unincorporated area known as East Los Angeles).

Scholarship Criteria

Vernon Municipal Code (“VMC”) Section 2.166(a)(vi) sets forth the specific selection criteria for scholarship recipients and will be the specific standards used to identify qualified applicants who, ultimately, will be recommended as scholarship recipients. Selection criteria have been identified to clearly define the profile of the scholarship recipient.

Many factors will be considered when evaluating scholarship applicants. Scholarship criteria include an applicant’s financial need, academic achievement, and the geographic distribution of scholarships. The scholarship criteria support the purpose of the Vernon CommUNITY Fund, which was established to provide charitable contributions in support of improved quality of life, strengthening of families, and affirmation of Vernon’s ties with neighboring communities in pursuit of bright futures. The Vernon CommUNITY Fund Scholarship Program was created to provide disadvantaged youth in the Vernon Area the opportunity to achieve success in their post-secondary educational endeavors.

Award Criteria

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

Eligibility

12th grade students enrolling in a post-secondary educational institution with full-time status who reside in the Vernon Area (as defined above) may submit an application for a Vernon CommUNITY Fund (VCF) Scholarship.

Specific eligibility standards are identified within this section. In order to be considered for award, applicants must meet all of the following detailed criteria:

- Graduating High School Senior
- Achievement of a Minimum Weighted Grade Point Average of 2.0 in high school level coursework for trade school or two-year College applicants; or Minimum Weighted Grade Point Average of 2.5 in high school level coursework for four-year College/University applicants at the time of VCF Scholarship application submission

Vernon CommUNITY Fund Scholarship Program Applicant Package

- Pursuit of a two-year or four-year Degree from accredited College/University; or pursuit of Trade School Certification
- Full-time enrollment at post-secondary educational institution of choice (minimum of 12 units for college) at the time of award
- Immediate transition into a post-secondary educational institution upon graduation from high school (must begin post-secondary coursework within 6 months of graduation)
- Residency in the Vernon Area (U.S. Citizenship is not required); minimum Area residency of 12 months
- Demonstration of strong leadership skills and responsibility (successfully communicated in scholarship application)
- Active in extracurricular activities (i.e., school/community involvement/employment/internship)
- A minimum of 20 hours of community service from 9th grade to first semester of 12th grade
- Not a City of Vernon employee or a legal dependent of a City of Vernon employee, Vernon City-appointed official, or Vernon City-elected official

Application Procedures

The information requested on the application is a reflection of the selection criteria designated for the VCF Scholarship Program. The following question and answer section (Q&A) addresses issues related to the VCF Scholarship application process:

Q: Where and when are scholarship applications available?

A: Beginning on January 1st of each year, applications will be available on the Vernon CommUNITY Fund website: www.vernoncommunityfund.org

Q: Where should scholarship applications be submitted?

A: Students may submit their complete application packages to the Vernon City Hall City Administration Office. Contact information is available on the website if any questions or technical issues arise during the application submission process.

Q: When are scholarship applications due?

A: The Vernon CommUNITY Fund will accept scholarship applications through the last Thursday in March.

Q: What additional information/documents must accompany the scholarship application?

A: As per the eligibility criteria noted above, students must submit proof that they reside and have resided for at least 12 months in the Vernon Area (e.g. utility bills); most recent report card; evidence of GPA with high school transcripts; sworn statement (found on the Vernon CommUNITY Fund website in scholarship applicant package) of a teacher or program director/supervisor with knowledge that applicant has performed the minimum amount of community service; and evidence of extracurricular activities. Although not required, students may also include letter(s) of recommendation, and/or letter(s) from post-secondary educational institution(s) along with their scholarship application.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Q: How and when will the scholarship award winners be notified?

A: Scholarship grant applicants recommended for award will be reviewed at the regular VCF Grant Committee meeting in May. Applicants selected for award will be notified within one week of scholarship award via email.

Q: How and when will the scholarship awards be disbursed?

A: Award disbursement will occur in June, with checks directly mailed to scholarship grantees.

The VCF Grant Committee retains the right to withhold scholarship grants in any given year if no candidate is determined to be qualified.

Additional Considerations

- Scholarship amount will be based on applicant competition and funds available for award
- Personal interview of scholarship applicant may or may not be required, and shall be determined after initial review of applicant pool
- Applications may be summarily denied, with or without prior notification to the applicant, if any statements or representations in the application and supporting materials are found to be untruthful, dishonest, or misleading

Selection Procedures

Procedures for selection of award will mirror the current process used for the award of direct service grants and capital grants through the Vernon CommUNITY Fund. The initial evaluation of a scholarship application will be a joint effort amongst City staff and consultant, Jemmott Rollins Group (JRG). Ultimately, the application of any candidate(s) recommended for award will be brought to the Vernon CommUNITY Grant Committee in May for deliberation and approval(s) of grant(s).

The VCF Scholarship Program is designed to benefit a broad class of beneficiaries through an objective process that is nondiscriminatory in nature.

Vernon CommUNITY Fund Scholarship Program Applicant Package

II. Vernon CommUNITY Fund Scholarship Program Timeline

A VCF Scholarship Program Timeline has been established based upon the calendar year. In summary, applications are accepted beginning January 1st through the last Thursday in March of a given year. In May, the Vernon CommUNITY Fund Grant Committee will select scholarship grantees. Funds for scholarship awards will be dispersed in June to all scholarship grant recipients.

VII. Vernon CommUNITY Fund Scholarship Applicant Autobiographical Essay Guide

Autobiographical Statement

In essay form, please respond to as many of the following prompts as are applicable to your situation and/or personal experience:

- Effectively express your career goals and detail your plan to achieve success in your chosen field of study
- Identify work, volunteer, internship(s), and/or extracurricular experience and how and why it has impacted you
- Describe who or what has most influenced and motivated you to pursue a higher level of education and explain why
- Indicate why receiving a scholarship from the Vernon CommUNITY Fund will assist you in achieving your academic goals
- Discuss your academic ability and potential to be successful in your pursuits
- Provide a coherent, well-organized written product that conveys why you should receive a VCF Scholarship
- Identify any unique characteristics about yourself, your family and/or life circumstances that you would like to be considered in the evaluation of your application package

The prompts above appear in no particular order of importance, nor are you required to address each in your essay. The essay guide has been designed to provide you with insight into what the VCF Grant Committee may be interested in learning about you as a VCF Scholarship Applicant.

Your essay must be submitted in the following format:

- Typed (12 point font)
- Double spaced
- Written in first-person
- A combined total of three (3) pages or less

Reminders for Your Written Work

Structure/Organization

Your essay should give the reader a concise sense of who you are and how your particular life experiences have contributed to your current path. The structure of the essay should support its overall message and convey your personality. The story that you are telling should be logical, with a clear introduction, solid supporting ideas, and a conclusion.

Vernon CommUNITY Fund Scholarship Program Applicant Package

Specific Examples

If you choose to reference life experiences or situations in your essay, they should be specific and not general. Each example that you include in your essay should help showcase your character traits and distinguish you, as an individual, from the other applicants.

Significance

The experiences or situations you include in the essay should address the prompts in a meaningful way. Additionally, they should show significance to your overall message, and lend support to your educational, career, and personal goals.

(Please insert your essay following this page)

When I leave high school, I am entering a world of many unknowns. Yet, I am also entering into a world of endless possibilities, and one certainty I will hold with me as I reach the end of my senior year is the determination to pursue higher education.

Throughout my high school career, I have gained an appreciation for helping others and I plan on continuing this passion with my intended career and degree in Public Health. Through this course of study, I will combine both my interests in the health field with my passion for improving the lives of others. Furthermore, my dreams of becoming a dietitian will allow me to empower others to take control of their health through healthy eating habits and practices.

Education is capable of constructing the world of tomorrow and this scholarship is another tool I can use to build a better future not only for myself but for those around me. I wish to inspire my younger siblings and set the example that no matter where you come from, attending college is achievable. However, I do not want my education to place a financial burden on my parents, especially after the pandemic affected their job stability. Receiving the Vernon CommUNITY Fund Scholarship, in particular, will not only allow me to relieve some financial pressure off my parents but will also provide me with the reassurance that as I leave for college, I have the support of my community behind me.

I owe my dedication to pursue higher education to my parents and family. I owe it to their perseverance to immigrate to this country and ensure I am provided with the opportunities they did not have. I owe it to my dad who works long nights and to my mom who did not graduate from college yet is still the smartest person I know. They have all taught me something that you cannot learn from a textbook- the strength needed to overcome the adversity life will throw your way.

But I also would not be where I am today without the perspective I have gained from growing up in Maywood. From an outsider looking in, we may initially look like another small city. However, we are more than that. My involvement in helping found my school's Interact Club has shown me the impact youth can have within the community. Seeing the club grow from a mere ten members to over 70 and volunteering at events such as community cleanups and tree planting events has instilled the motivation and hope that more students from Southeast LA will go on to make a difference in this world. Additionally, I am grateful for the opportunity to be a part of my school's newspaper as Editor in Chief of Design, and watch the enthusiastic reactions when we passed out our first printed publication. I have learned that journalism extends beyond the writing itself and has the power to uplift voices and shed light on our community's opinions.

I also cannot forget to mention how my community has inspired and influenced my prospective major and career. I truly realized that I enjoyed informing and educating

others about health after delivering a presentation with two peers at Maywood City Hall. The three of us recognized the issue of food inequality and how this leads to health problems across Latino communities. For months we researched the links between heart disease and fast food and proposed solutions that would help create a more healthy community. The positive feedback we received from Maywood residents and city council members engraved within me the inclination to pursue a career that helps improve the health of others. I know I have a long road ahead of me, but I am eager to imagine the places my education will take me.

To Whom It May Concern:

I highly recommend Melissa Ponce for your consideration. I have known Melissa as a student in my advanced journalism class, the student newspaper, the Interact Club, and in my Honors English class where I observed her work habits and academic growth. As a student in my Honors English class she exhibited an enthusiastic passion in collaborative groups, in discussions, and in her writing. I observed a positive, conscientious, diligent and detail-oriented approach towards assignments which has positively affected the students around her. They saw in her the results of the application of focused, thoughtful work and of her positive attitude.

She excels as a leader for the *Wolfpack Times*, *WolfpackTimes.net* and *@wolfpacktimes* the student-run newspaper, online website and social media for MACES Magnet School in Maywood, California. She is an outstanding Editor-in-Chief of Design who creatively couples her experience as a former Features editor with leadership skills to support her staff in informing, educating, and entertaining her fellow students. In particular, she uses the skills she developed in Adobe InDesign to support her peers creating newspaper pages including double-truck features, as well as skills in Wordpress to make use of specific page elements enhancing stories, and she worked with the Online completely overhaul the *Wolfpack Times* website improving readability and design. She has supported her passion for learning, developing her skills, by consistently seeking out opportunities such as participating in local High School journalism day events and publishing stories with the Los Angeles Times' High School Insider section. Additionally, as MACES Magnet is a new school only now in its fourth year, she is a founder of the newspaper who was instrumental in helping to organize and create Issue 1, Volume 1 and each subsequent high-quality issue.

She is also one of the founding members of the Interact Club, a Rotary sponsored club at MACES with more than 80 members where she helps to organize and actively participate in community service projects such as Beach Clean-Ups, the AIDS Walk LA, working water stations for the LA Marathon, volunteering at regional food banks, tree-plantings, pandemic relief efforts, supporting international projects alongside Rotarians, and more. She has helped to lead in her club at on-going meetings during lunch and officer meetings including her role as the club treasurer. As club treasurer, I observed Melissa's detail-oriented work in application as she consistently followed-through with the various financial approvals and the paperwork required for fundraisers, events, and materials. As a sophomore, Melissa was also selected as a recipient of a Rotary Youth Leadership Award, a three-day leadership camp near Lake Arrowhead, California. In particular, Melissa was instrumental in helping her new club raise more than \$600, one of the few clubs in Los Angeles Rotary District 5280 who achieved this, to help bring a water well to a village in Honduras.

Beyond this, she is the Team Captain of the Girls Basketball team helping with gear and detailed paperwork, she is a member of National Honor Society, a member of the Class of 2021 club, and she participated on the Deloitte Tech Team Challenge, a three-day program focused on tech professions where she pitched an app that would improve a user's health by monitoring their nutritional intake. She is also a 2019 Kode With Klossy Scholar.

Melissa is an excellent student who exhibits the motivation, dedication, skills, and character requisite of one of our best college and career prepared learners. I highly recommend her, as she is a very valuable asset to any organization to which she applies herself.

Sincerely,

To whom it may concern,

It is with great pleasure that I recommend Melissa Ponce for her academic achievements as well as leadership in her school community. During her time at MaCES she has demonstrated traits of leadership, commitment and service to others. Since I met her freshman year in my honors biology class she has been able to balance a rigorous course load along with being the girls' varsity Basketball Captain. Ms. Ponce is a true leader on and off of the court, which is evident through her work ethic as a student-athlete.

As a student, Melissa is naturally gifted at understanding and applying difficult concepts. Her natural curiosity and self-reflection make her one of the top scholars at MaCES. Her critical thinking abilities go beyond just getting the answer correct, it is her eagerness to understand and ask clarifying questions that sets her apart. It is always a pleasure to grade her work, as she is not only a critical thinker but also creative in her approach to solving problems.

Melissa is part of MaCES first journalism club, she is currently the Editor in Chief of Design. She uses the school newspaper to bring awareness to school issues, gives students a voice, and increases the school community. Making a positive impact in her community is something she is always working on. Maywood is an urban city SouthEast of downtown LA, and most of the population is latinx, which historically has a larger instance of heart problems. Upon discovering this Melissa decided to use her knowledge and become an agent for change in her community by presenting in the city council urging them to bring farmers markets and create events such as the Maywood 5k.

Melissa is one of the founding members of the MaCES Interact club. The purpose of the Interact club is to serve the community. As the first treasurer, she was a key player in organizing a fundraiser in her community that provided drinking water for families in Honduras. The club was awarded the title of "Club of the Year " by Rotary District 5280 due to their immense contribution.

As a highschooler, Melissa Ponce has the characteristics of a true leader. She is humble, hard working, reflective, and always willing to lend a hand. I have no doubt that she will find success in higher education and her future career. Ms. Ponce has left a lasting impression not only on me, but the rest of our school community. It is without hesitation, that Ms. Ponce has earned my highest recommendation as a scholar, and leader in the community.

Melissa Ponce

Dear Melissa,

Congratulations! I am delighted to inform you that you have been admitted to Brown University's Class of 2025. As we have throughout our history, Brown seeks to embody its mission of "discovering, communicating and preserving knowledge and understanding in a spirit of free inquiry." You were chosen not only for what we believe you can contribute to our academic community, but also for what you will gain from the wonderful opportunities that distinguish and define undergraduate education at Brown.

We were inspired by the accomplishments that you shared through your application, and you will join an impressive class of students whose diversity of strengths and interests are met with the common ground of creative thinking and intellectual curiosity. You and your future classmates will be welcomed into this vibrant community of scholars, leaders and innovators who will continue to serve the community, the nation and the world.

If you are a candidate for financial aid, you will find information about financial aid included in your Brown Applicant Portal. If you have questions about financial aid, please contact the Office of Financial Aid at financial_aid@brown.edu. In the coming months you will receive additional mailings from the Office of College Admission and other University offices that will address your matriculation plans in greater detail. Please remember that as a candidate admitted under our Early Decision plan, you are required to withdraw all other applications and may not initiate any new ones.

We hope that this Early Decision admission will enable you to enjoy the remainder of your final year of secondary school free of concerns about your college options, and allow you to continue your focus on learning.

On behalf of the entire Brown community, please accept my congratulations on your admission. We look forward to welcoming you to Brown.

Sincerely,

Logan Powell
Dean of Admission

Please note that this offer of admission is contingent upon your maintaining an academic and social record at the same level that has brought you admission to Brown at this early date.

Vernon CommUNITY Fund Scholarship Applicant Evaluation Form

Applicant: 6

GPA: 3.910

School: East Los Angeles Renaissance Academy

Resident City: East Los Angeles

The criteria below will be used to evaluate applicant:

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

1. DEMONSTRATED FINANCIAL NEED (30 POINTS POSSIBLE)

SCORE 25

The applicant has completed the Financial Analysis Summary to project their anticipated costs for their post-secondary educational pursuits. A VCF Scholarship may be awarded in a dollar amount that considers all financial aid being awarded to applicant and the total cost for their education. Total unmet financial need of applicant is \$ 39K/yr (approx) with an estimated 29K in scholarships/grants/financial aid.

2. COMMUNITY INVOLVEMENT AND LEADERSHIP (30 POINTS POSSIBLE)

SCORE 25

The Autobiographical Essay, Recommendation Forms (and letters if applicable), and Verification of Community Service Hours should collectively demonstrate the applicant's personal motivation, influences, academic ability, and potential. Consideration should be given to the applicant's unique situation and/or experience, career goals, and how receiving a scholarship will help the applicant. Recommendations should speak favorably to the applicant's dependability, initiative, and maturity, and specify applicant's talents and abilities, such as leadership, artistic abilities, excellence in athletics or extra-curricular activities, etc. Applicant should be viewed as capable of success in college. The applicant's participation in events and/or activities (such as student body office, work experience, special family responsibilities and obligations, and/or community service) leading to the accumulation of knowledge, attitudes and skills needed in post-secondary education should be considered. The quality and quantity of such events in the life of the individual should be assessed.

3. ACADEMIC ACHIEVEMENT (20 POINTS POSSIBLE)

SCORE 19

Transcript and report card should validate the applicant's preparedness for post-secondary educational demands. Preparatory courses (e.g. algebra, biology, literature, composition, chemistry, history, government, foreign language) should be completed with passing grades (at a minimum). Through academics, the student should demonstrate their ability to be successful in their pursuit of a trade school/college education.

Vernon CommUNITY Fund Scholarship Program

4. AWARDS AND RECOGNITION (10 POINTS POSSIBLE)

SCORE 8

If application indicates that the student has received awards and/or recognition during their high school career in academics and/or in extracurricular activities, this should be considered. Acknowledgement by others demonstrates how the candidate is regarded and validates their work ethic, spirit, abilities, maturity, and perseverance in efforts to excel.

5. PERSONAL AND/OR FAMILY ATTRIBUTES AND VALUES (10 POINTS POSSIBLE)

SCORE 9

The Autobiographical Essay and Recommendation Forms (and letters if applicable) should convey the applicant's distinguishable characteristics and values. The applicant's ability to be successful in their prospective career will be based upon personal qualities demonstrated in their day-to-day school/work/volunteer activities. Qualities such as motivation, enthusiasm, dedication, and the desire to achieve a successful outcome in their chosen field of study should be assessed.

6. COMMENTS

Clear demonstration of work ethic and perseverance is impressive. Student indicates that they will be first in family to graduate from high school, and coveys an ability to overcome challenges. Comments from advocates speak to student's qualities as a natural born leader and undeterred focus on college and establishing a solid career in a field for which they are passionate. It is this drive that will contribute to the student's success in the long-term.

To Whom It May Concern:

On his first week of high school, Miguel Ramirez came up to me at the end of class and asked, “Ms. Tenorio, what do I need to do to get into college?” This inquiry, and the dedication that unfolded after he posed it, is one of multiple examples of his commitment, focus and drive. Throughout his freshman year he produced his personal best: studied for exams, asked questions during moments of difficulty, visited office hours, explored topics he found fascinating outside of class, and asked for, accepted and applied constructive feedback. Mr. Ramirez has been intentional about achieving academic success. A motivated and purposeful student, his focus never falters.

As a sophomore student, he continued to challenge himself through rigorous honors English and world history courses, college courses, and participation in extracurricular student organizations on campus. During every one of these activities he has met challenges and overcome them with grace, courage and intelligence. His participation in these activities has refined his speaking, communication, collaboration, and problem-solving skills. His willingness to challenge himself has jumpstarted an early evolution. While many of his peers will develop these skills after their secondary education, Mr. Ramirez has been developing these during high school and will continue to refine throughout his college experience.

While his initiative jumpstarted his evolution, his tenacity enabled him to succeed after setbacks. His resiliency will ensure his success in college and beyond.

I look forward to witnessing his personal, academic and professional growth with much joy and enthusiasm. Please do not hesitate to contact me with further questions or concerns.

All of my best,

Ana Maria Tenorio

Coming from a low-income family, being an undocumented student, and becoming one of the first to graduate from high school, and transiting into college would have many financial difficulties. Through college, I plan to major in Computer engineering and do various side projects in order to be accepted into internships that would lead to jobs. However, just working on side projects would not make me a worthy candidate for internships. So working, joining clubs, and doing extracurricular activities would make me a worthy candidate. For instance, volunteering in high school clubs and afterschool activities help me reinforce my leadership skills and become independent. Similarly, I was given the opportunity to become one of the members of the management team in my Garden Club that helps me become more organized and time-efficient. With these experiences, I plan to be more involved in college clubs and begin to take extracurriculars to help me become a more productive member.

Deciding to go to college was a difficult decision for me due to the overwhelming costs and the start of independence. Though it was a difficult decision, my parents had a huge impact on my decision of applying to college because of the opportunities that I had and they did not. Though my parents did not have the opportunity to attend college they encourage me to do so because of the experience I can acquire and enjoyment of it. Though I was worried about the tuition of the University, I tried my best to discover various scholarship opportunities to help ease the financial burden. Also, my parents encouraged me to create a path to help my siblings through their future college experiences. With the Vernon commUNITY Fund scholarship, I can both ease the financial burden and create a path for my siblings. Not only will this help my college experience but it will also help me pursue my passion for computer engineering, mathematics, and STEM. Additionally, it will help me reduce the amount of time to work and gain time to study, attend class, and enjoy my college experience.

Through my college education, I can use my academic abilities to have a less stressful and more enjoyable experience. I would be able to use my STEM background to be more prepared to have a successful college course. Additionally, being introduced to new academic environments gives me the opportunity to increase my academic potential. Such as learning new programming languages to help me be more successful in college and the major I am pursuing.

To:

UC SANTA CRUZ

Congratulations!

Dear Miguel:

We're excited to notify you that you have been admitted into the [proposed](#) major of Computer Engineering for fall 2021. Congratulations to you and your family on this achievement! There's a lot to talk about, but first...

(Turn on the sound to get the full effect.)

Explore our campus and learn more about how to accept your offer of admission by going to our admitted student website at yes.ucsc.edu, which includes a special [interactive experience](#) just for newly admitted Banana Slugs! In addition, a packet with an admission letter and certificate of admission will arrive at your home in the next few weeks.

To accept your offer of admission, visit the [MyUCSC portal](#), completing all steps no later than **May 1, 2021**. Please take the time to review the details of your admission in the portal. If you have any questions that are not addressed there, please contact our office at admissions@ucsc.edu.

If you are applying for Financial Aid, please note that Financial Aid offers will be sent starting the first week of March. To receive an aid offer in a timely manner, be sure to check your “To Do” List in MyUCSC in early March to see if we have received your aid application, and for any notices regarding the application.

Congratulations again on your admission!

Sincerely,

Blia Yang
Director of Undergraduate Admissions
